transgender surgery adult circumcision and foreskin restoration the enhancement of dueling scars and even a performance artist who had herself altered to resemble the Mona Lisa The book draws on an extraordinary range of sources Gilman is as comfortable discussing Nietzsche Yeats and Darwin as he is grisly medical details Michael Jackson and Barbra Streisand's decision to keep her own nose The book contains dozens of arresting images of people before during and after surgery This is a profound provocative and engaging study of how humans have sought to change their lives by transforming their bodies
