Love in Reverse/Scarred for Life Garland Ladd,2008-07-02 Why do love relationships fail A more appropriate question is why do many succeed Finding answers to both questions is analogous to defining infinity impossible because the unknowns are infinite and this author will not go there However two aspects of lasting love loom extremely important namely the origin of love that indefinable spark of attraction that unites people and the admirable quality of ingenuity that is required for relationships to survive *Love In Reverse* and *Scarred For Life* are fictional attempts to highlight those aspects of lasting love

Hawkwind: Days of the Underground Joe Banks,2021-02-24 An account of the English rock band Hawkwind shows them to be one of the most innovative and culturally significant bands of the 1970s Fifty years on from when it first formed the English rock band Hawkwind continues to inspire devotion from fans around the world Its influence reaches across the spectrum of alternative music from psychedelia prog and punk through industrial electronica and stoner rock Hawkwind has been variously if erroneously positioned as the heir to both Pink Floyd and the Velvet Underground and as Britain s answer to the Grateful Dead and Krautrock It has defined a genre space rock while operating on a frequency that s uniquely its own Hawkwind offered a form of radical escapism and an alternative account of a strange new world for a generation of young people growing up on a planet that seemed to be teetering on the brink of destruction under threat from economic meltdown industrial unrest and political polarization While other commentators confidently asserted that the countercultural experiment of the 1960s was over Hawkwind took the underground to the provinces and beyond In *Days of the Underground* Joe Banks repositions Hawkwind as one of the most innovative and culturally significant bands of the 1970s It s not an easy task As with many bands of this era a lazy narrative has built up around Hawkwind that doesn t do justice to the breadth of its ambition and achievements Banks gives the lie to the popular perception of Hawkwind as one long lysergic soap opera with *Days of the Underground* he shows us just how revolutionary Hawkwind was [Creating Criminals](#) Vivien Stern,2008-02-29 Market society is producing more crime around the world More acts are being defined as crimes Ever increasing numbers of people are classified as criminals and more are being locked up in prison With globalization the crime and punishment problem is no longer insulated from pressures beyond national borders The rich may retreat behind their expensive security into gated communities but the poor are more and more at the mercy of criminals and corrupt policing Yet Vivien Stern argues the trends towards more criminalization and more imprisonment are not making for more effective crime control or safer communities This important book demonstrates that the prospects for the future are serious unless NGOs and reformers join in a new movement for reform that gives more control of justice policy back to communities and neighbourhoods *The DC Comics Encyclopedia New Edition* Matthew K.
