Kaufman and Moss Hart among them were along with Ferber herself the most successful playwrights of their time Here is the making of an American classic novel and the film that followed in its wake We see how George Stevens Academy Award winning director wooed the prickly stubborn Ferber ultimately getting her to agree to everything including writing for the first time ever a draft of a screenplay to her okaying James Dean for the part of the ranch hand Jett Rink something she was dead set against Here is the casting of Elizabeth Taylor Rock Hudson James Dean and their backstory triangle of sex and seduction each becoming a huge star because of the film the frustrated Stevens trying to direct the instinctive but undisciplined Dean and the months long landmark filming in the sleepy town of Marfa Texas suddenly invaded by a battalion of a film crew and some of the biggest stars in the rising celebrity culture **A Companion to the Literature and Culture of the American West** Nicolas S.
