Scientific Healing Affirmations:

Scientific Healing Affirmations Paramahansa Yogananda, 2021-11-18 There are hidden powers behind the human body's ability to heal itself. This book revealed the secret practices of affirmation as a healing method and started the science of concentrated thought in Western culture. Today this art is embraced in hospitals, recovery programs, or corporate offices. Yet it is not always efficient. To learn why it works in some cases and doesn't work in others, we offer to get back to the origins of the art of affirmation and learn the practical principles that make this psychological tool so effective. This book uncovers the tools helping you get healthier, overcome life obstacles, develop confidence, awaken inner wisdom, and much more.

Scientific Healing Affirmations Paramahansa Yogananda, 2024-08-27 If the mind can produce ill health, it can also produce good health. These are the words of Paramahansa Yogananda, beloved Hindu yogi, guru, and monk, and author of the international bestseller *The Autobiography of a Yogi*. Yogananda was also one of the first voices to recognize the power of positivity with *Scientific Healing Affirmations*. First published in 1924, this groundbreaking book describes the pathway to achieve wellness and clarity through a series of time-honored affirmations derived from Eastern spiritual philosophy. Far ahead of its time, this book was the first to highlight the scientific correlations between positivity and bolstering your mental, physical, and spiritual health. Organized into dynamic, easily digestible sections, this powerfully succinct book teaches how positive affirmations can help you: Prevent physical, mental, and physical disease; Reduce the impact of negative emotions; Avoid defeatist self-talk; Choose your words carefully; Build willpower and confidence; Meditate and hone your focus; Live authentically; Achieve and maintain inner peace; Awaken your life energy; And create lasting positive change. By working through this time-tested book, you can reduce suffering for you and others, unleash your inner potential, and begin on the path toward true and enduring happiness.
