Obama Nation English Edition:

The Obama Nation Jerome R. Corsi, 2008-08-05 In this thoroughly researched and documented book the 1 New York Times bestselling co author of *Unfit for Command* Swift Boat Veterans Speak Out Against John Kerry explains why the extreme leftism of an Obama presidency would leave the United States weakened diminished and divided why Obama must be defeated and how he can be Barack Obama stepped onto the national political stage when the then Illinois State senator addressed the 2004 Democratic National Convention Soon after Obama was elected to the U S Senate author Jerome Corsi began researching Obama s personal and political background Scrupulously sourced with more than 600 footnotes *The Obama Nation* is the result of that research By tracing Obama s career and influences from his early years in Hawaii and Indonesia the beginnings of his political career in Chicago his voting record in the Illinois legislature his religious training and his adoption of Christianity through to his recent involvement in Kenyan politics his political advisors and fundraising associates and his meteoric campaign for president Jerome Corsi shows that an Obama presidency would in his words be a repeat of the failed extremist politics that have characterized and plagued Democratic Party politics since the late 1960s In this stunning and comprehensive new book the reader will learn about Obama s extensive connections with Islam and radical politics from his father and step father s Islamic backgrounds to his Communist and socialist mentors in Hawaii and Chicago to his long term and close associations with former Weather Underground heroes William Ayers and Bernadette Dohrn associations much closer than heretofore revealed by the press Barack and Michelle s 20 year long religious affiliation with the black liberation theology of former Trinity United Church of Christ Reverend Jeremiah Wright whose sermons have always been steeped in a rage first expressed by Franz Fanon Stokely Carmichael and Malcolm X a rage that Corsi shows has deep meaning for Obama Obama s continuing connections with Kenya the homeland of his father through his support for the candidacy of Raila Odinga the radical socialist presidential contender who came to power amid Islamist violence and church burnings Obama s involvement in the slum landlord empire of the Chicago political fixer Tony Rezko who helped to bankroll Obama s initial campaigns and to purchase of Barack and Michelle s dream home property The background and techniques of the Obama campaign s cult of personality including the derivation of the words hope and change Obama s far left domestic policy his controversial votes on abortion his history of opposition to the Second Amendment his determination to raise capital gains taxes his impractical plan to achieve universal health care and his radical plan to tax Americans to fund a global poverty reduction program Obama s na ve anti war anti nuclear foreign policy predicated on the reduction of the military the eradication of nuclear weapons and an overconfidence in the power of his personality as if belief in change alone could somehow transform international politics achieve nuclear weapons disarmament and withdrawal from Iraq without adverse consequences for us for the Iraqis or for Israel Meticulously researched and documented *The Obama Nation* is the definitive source for information on why and how Barack Obama must be defeated not by invective and general attacks but by detailed

arguments that are well researched and fact based *Official Gazette. English Edition Japan,1948* **The Global Obama** Dinesh Sharma,Uwe P. Gielen,2013-12-17 The Global Obama examines the president s image in five continents and more than twenty countries It is the first book to look at Barack Obama s presidency and analyze how Obama and America are viewed by publics governments and political commentators around world The author of Barack Obama in Hawaii and Indonesia The Making of a Global President Top 10 Black History Book scaled the globe to gather opinions cultural historical and political analyses about Obama s leadership style Writers journalists psychologists consultants and social scientists present their views on Obama s leadership popularity and many of the global challenges that still remain unresolved As a progress report this is the first book that tries to grasp the Obama phenomenon in totality as perceived by populations around the world with special focus on America s leadership in the 21st Century **Encyclopedia of the American Presidency, Fourth Edition** Michael Genovese,2021-04-01 Praise for the first edition An altogether excellent introduction to the study of the presidency of the United States Library Journal entries are well written an excellent addition American Reference Books Annual an excellent resource recommended Booklist Highly recommended Choice The most up to date reference of its kind Encyclopedia of the American Presidency Fourth Edition is the definitive guide to the role of the president from the American Revolution through the present day Offering a complete account of the presidency in U S history this A to Z encyclopedia will make a great first stop for students and general readers looking for information on the executive branch of the American government Its comprehensive scope spans the relationship between the executive and the other branches of government court cases elections political opponents scandals and more A valuable resource that provides concise information Encyclopedia of the American Presidency Fourth Edition contains more than 750 entries Entries include Bully pulpit Commander in chief Economic policy Executive privilege Kamala Harris Impeachment Iraq War Thomas Jefferson Middle East Military tribunals New Deal Oval Office Franklin D Roosevelt Situation room Donald Trump Veto power War powers Watergate White House and more **America: Our Sacred Honor** Mary A. Kardes,2015-06-16 America is at a crossroads and the road we elect to travel will either restore the spirit of America or continue to weaken our country forever Ordinary American citizens must make fundamental decisions We have been warned and though the warnings have been muted by media sources and special interest groups they are growing louder Voices of genuine concern come from within the United States and from abroad We Americans must listen to and take seriously what we are being told We need to educate ourselves about American history real unbiased history We need to know the Constitution the very cornerstone of our nation and we need to hold our politicians and government leaders accountable Americans must once again stand united to defend our beloved country and our very way of life *American Grand Strategy: Obama's Middle East Legacy* Çağatay Özdemir,2025-05-23 This book provides a comprehensive analysis of American grand strategy during the Obama administration and its impact on the Middle East It explores the concept of grand strategy examining how national objectives

and security priorities influence foreign policy decisions The text compares Obama's approach to those of his predecessors Bill Clinton and George W Bush highlighting key decisions and their consequences The book focuses especially on issues such as the conflicts in Afghanistan and Iraq the Arab uprisings nuclear negotiations with Iran and the Israel Palestine conflict The book also examines the long term effects of Obama's policies on U S foreign relations offering insights into the successes and challenges faced in the Middle East Lastly it considers the evolution of the American grand strategy under the subsequent administrations of Trump and Biden shedding light on the continuity and shifts in America's foreign policy direction This work is essential for anyone interested in U S foreign policy Middle East politics and grand strategy

Obama and Kenya Matthew Carotenuto, Katherine Luongo, 2016-07-29 Barack Obama's political ascendancy has focused considerable global attention on the history of Kenya generally and the history of the Luo community particularly From politicians populating the blogosphere and bookshelves in the U S and Kenya to tourists traipsing through Obama's ancestral home a variety of groups have mobilized new readings of Kenya's past in service of their own ends Through narratives placing Obama into a simplified sweeping narrative of anticolonial barbarism and postcolonial tribal violence the story of the United States president's nuanced relationship to Kenya has been lost amid stereotypical portrayals of Africa At the same time Kenyan state officials have aimed to weave Obama into the contested narrative of Kenyan nationhood Matthew Carotenuto and Katherine Luongo argue that efforts to cast Obama as a son of the soil of the Lake Victoria basin invite insights into the politicized uses of Kenya's past Ideal for classroom use and directed at a general readership interested in global affairs *Obama and Kenya* offers an important counterpoint to the many popular but inaccurate texts about Kenya's history and Obama's place in it as well as focused thematic analyses of contemporary debates about ethnic politics tribal identities postcolonial governance and U S African relations

Barack Obama Steven Sarson, 2018-08-09 Barack Obama's politics are deeply informed by his profound knowledge and understanding of his country's history His articles books and speeches are replete with references to America's past and how that relates to the present he sees and the future he envisions Exploring Obama's own words Steven Sarson examines his interpretation of American history from colonial times to the present showing how Obama sees American history as beginning with the common creed of equality and liberty proclaimed in the Declaration of Independence and the more perfect union created by the Constitution He analyses Obama's understanding of the colonies revolution and early nation slavery and the civil war segregation and civil rights economy and society Native Americans and foreign policy An epilogue explores how Obama personifies the American dream through the stories of individuals including his own A unique and fascinating take on the past and how we interpret it this book will appeal to all students and scholars of American history as well as anyone interested in Obama's presidency

Obama's Welfare Legacy Anne Daguerre, 2017-07-10 The election of Barack Obama during the 2008 economic downturn brought hope to millions and presented an opportunity for expanding socioeconomic rights But the Obama administration was consistently

constrained by the challenges of a divided government and the now threatened Affordable Care Act or Obamacare remains the standout welfare reform of his presidency In the first systematic assessment of Obama s welfare and antipoverty programs welfare reform specialist Anne Daguerre examines these legacies of his administration focusing in particular on the Temporary Assistance for Needy Families and the Supplemental Nutrition Assistance Programs Drawing lessons from comparison with the Western European experience and its traditionally strong commitment to social welfare Obama s Welfare Legacy provides an up to date vital account of the contemporary politics of poverty and public entitlements in the United States

The American Hiroshima Hugh Cort,2011-12 Did You Know Iran is Planning a Nuclear Attack on America Iran s Supreme Leader Khamenei and President Ahmadinejad have a fanatical religious belief that they can usher in the coming of their messiah the 12th Imam or Mahdi by killing millions of Americans and Israelis infidels with nuclear bombs Ahmadinejad has said this will happen very soon and Iran has made a film about this The Coming of the Mahdi is Upon Us They are like suicide bombers and do not fear death or retaliation They are going to detonate nuclear bombs in multiple American cities bombs that have been smuggled through the Mexican border into America and they will try to blame it on al Qaeda Iran was assisting Osama bin Laden with his American Hiroshima plan and now Iran has taken over the plan Iran already has nuclear bombs acquired from several sources and is soon in the next few months to also produce their own nuclear bombs at the formerly secret site at Fordo near the Holy City of Qom and also will very soon have nuclear tipped missiles To learn more about Iran s plans for attack and how you can prevent you and your family from getting fatal radiation sickness when the bombs go off read this book and also see our website [www AFCPR org](http://www.AFCPR.org) Also google Iran s Mystery Flight to Venezuela Fox News Video and Threat of Iran s Nuclear Ambitions Fox News Video

The World Richard Haass,2021-05-11 The New York Times Bestseller A superb introduction to the world and global issues Richard Haass has written something that is brief readable and yet comprehensive marked throughout by his trademark intelligence and common sense Fareed Zakaria An invaluable primer from Richard Haass president of the Council on Foreign Relations that will help anyone expert and non expert alike navigate a time in which many of our biggest challenges come from the world beyond our borders We live in a global era in which what happens thousands of miles away often affects our lives Although the United States is bordered by two oceans those oceans are not moats And the so called Vegas rule what happens there stays there does not apply Globalization can be both good and bad but it is not something that individuals or countries can opt out of The choice we face is how to respond The World focuses on history what makes each region of the world tick the many challenges globalization presents and the most influential countries events and ideas to provide readers with the background they need to make sense of this complicated and interconnected world

Ararat in America Benjamin F. Alexander,2023-11-30 How has the distinctive Armenian American community expressed its identity as an ethnic minority while assimilating to life in the United States This book examines the role of community leaders and influencers including clergy youth organizers and

partisan newspaper editors in fostering not only a sense of Armenian identity but specific ethnic partisan leanings within the group's population. Against the backdrop of key geopolitical events from the aftermath of the Armenian Genocide to the creation of an independent and then Soviet Armenia, it explores the rivalry between two major Armenian political parties, the Tashnags and the Ramgavars, and the relationship that existed between partisan leaders and their broader constituency. Rather than treating the partisan conflict as simply an impediment to Armenian unity, Benjamin Alexander examines the functional if accidental role that it played in keeping certain community institutions alive. He further analyses the two camps as representing two conflicting visions of how to be an ethnic group, drawing a comparison between the sociology of religion, models of comfort religion, and challenge religion. A detailed political and social history, this book integrates the Armenian experience into the broader and more familiar narratives of World War I, World War II, and the Cold War in the USA.

Never Trust a Liberal Over Three? Especially a Republican Ann Coulter, 2013-10-14 You have NEVER seen Coulter like this before. Coulter is uncensored, unapologetic, and unflinching in her ruthless mockery of liberals, sissies, morons, hypocrites, and all other species of politician. Coulter doesn't stop at the politicians, though. Watch her skewer pundits, salesmen, celebrities, and bureaucrats with ruthlessness and hilarity. No topic is safe. This is Coulter at her most incisive, funny, and brilliant, featuring irreverent and hilarious material her syndicators were too afraid to print.

Sport, Tourism and National Identities John Harris, 2016-03-23 The role of both sport and tourism in the re-creation and re-presentation of national identities is well established, yet relatively little work has critically explored the inter-relationship between sport, tourism, and the creation and maintenance of national identities. Despite the advances of globalization, the nation continues to be an important part of both sport and tourism discourse and offers fertile ground for the exploration of identities in postmodern society. The chapters in this collection consider the significance of important sports events and how this is understood in relation to the collective identities of some countries. Authors outline some of the ways in which the nation matters and consider how and why national identities are important in contemporary sport tourism. This book was originally published as a special issue of the Journal of Sport Tourism.

The Cosmopolitan Military Jonathan Gilmore, 2015-07-28 What role should national militaries play in an increasingly globalised and interdependent world? This book examines the often difficult transition they have made toward missions aimed at protecting civilians and promoting human security, and asks whether we might expect the emergence of armed forces that exist to serve the wider human community.

Demonizing a President Martin A. Parlett, 2014-08-28 This groundbreaking political exposé scrutinizes the motivations behind the unparalleled attacks on President Barack Obama that attempted to undermine his eligibility to lead the country. The ascendancy of the first Black president was a watershed moment in American history. In response, Obama's adversaries engaged in relentless and systematic mudslinging throughout his campaign and well into his presidency, othering him as a foreign and dangerous political figure. Never before has a presidential candidate been so maligned by so many in such a

variety of ways and yet won This provocative study investigates the unrest behind the Obama campaign and election and the controversial political machine that caused it Martin A Parlett himself a former campaigner for Barack Obama examines the role identity politics and racialization played in the anti Obama movement shows how foreignization is the latest tool for political dissent and discusses the ways in which Obama successfully used the outsider label to his own advantage The book questions the popular and often contradictory notions of Obama as illegitimate Muslim Marxist Communist socialist Kenyan terrorist and angry African American Additionally chapters trace political marginalization and race throughout history from slavery to Reconstruction to the Civil Rights Movement concluding with the culture of distrust in the American political psyche since the events of September 11 2001 **National and English Review** ,1919 **Federal Regulatory Directory** CQ Press,2013-11-04 The Federal Regulatory Directory Sixteenth Edition continues to offer a clear path through the maze of complex federal agencies and regulations providing to the point analysis of regulations Information packed profiles of more than 100 federal agencies and departments detail the history structure purpose actions and key contacts for every regulatory agency in the U S government Now updated with an improved searching structure the Federal Regulatory Directory continues to be the leading reference for understanding federal regulations providing a richer more targeted exploration than is possible by cobbling together electronic and print sources The National and English Review ,1919 The American Hiroshima Dr Hugh Cort Hugh Cort,2009-11 DO YOU REALLY THINK OSAMA BIN LADEN IS DONE WITH AMERICA Are you ready for the next 9 11 Help stop Osama bin Laden s plan for a devastating nuclear attack on multiple American cities in the very near future Two thirds of Americans believe Osama bin Laden will strike America again and this time it will be nuclear Guess what They are right Find out how Iran is aiding and abetting Osama s nuclear plan Learn how you can help stop Osama s horrible attack or if we can t stop it at least learn how to prevent deadly radiation sickness See [www AFCPR org](http://www.AFCPR.org) to learn more The American Hiroshima Osama s Plan for a Nuclear Attack and One Man s Attempt to Warn America is the most important book on the imminent terrorist threat facing America To save your nation and protect your family you must read this book today
