Small business owners are not the only ones who can benefit from the services of a professional business coach. Large corporations and non-profit organizations can also benefit from the expertise of a business coach. A business coach can help a large corporation develop a strategic plan, improve its financial performance, and increase its market share. A business coach can also help a non-profit organization develop a fundraising strategy, improve its operational efficiency, and increase its impact on the community.

Dr. Shikha Chaturvedi is an Assistant Professor in the Department of English, Government College of Arts and Commerce, Mumbai. She has a Ph.D. in English from the University of Mumbai. She is currently working on a research project on the role of women in the Indian independence movement. She is also a member of the Indian Association of Women Scholars.
