Summary of key findings for parents

This provision is good

- Children form close, wonderful relationships with the childminder and her assistants. Strong friendships are evident across all age groups. Older children are very considerate of the younger ones in all activities. Behaviour is excellent.
- The childminder accurately monitors and assesses children's learning. She tracks children's development and identifies where there are any gaps in their learning. The childminder carefully plans what children need to learn next, to help them make good progress.
- Children are offered extensive daily opportunities for exercise and fresh air. They eagerly enjoy outdoor activities that the childminder offers, which involve exploring farms and local areas. Children delight in assisting a volunteer group to clear litter at the local park.
- Partnerships between the childminder and her assistants are strong. They work well together, which enables them to provide an organised learning environment for children to thrive in.
- The childminder has not fully explored ways to build continually on the quality of practice for her and her assistants, to develop an expert knowledge of teaching.
- The childminder does not work as successfully as possible with other settings that children currently attend, to fully support children's care and learning.
