Ohanas Bread Pudding Recipe:

The Pineapple from Domestication to Commodification Victoria Avery, Melissa Calaresu, 2025-10-15 The pineapple's discovery by European colonisers in the late fifteenth century and its remarkable global trajectory from an early modern object of rarity, desire and horticultural innovation to a cheap canned consumable and fair trade logo today is a story of modern globalisation. *The Pineapple from Domestication to Commodification* is a wide ranging interdisciplinary volume intended to provoke timely debate and generate radical rethinking of an overly familiar fruit with associations from luxury to kitsch. It deliberately problematizes the pineapple by investigating understudied tensions between its representational power and the historical and political contexts of its worldwide production and consumption. This connects the global and local at the heart of contemporary debates about the nature and origins of our food. It will have cross disciplinary appeal for scholars of politics, economics, history, plant sciences, food and material culture as well as for broader audiences interested in food, gardening, the environment and visual arts.

Bread Pudding Recipe Bliss Katy Lyons, 2024-01-01 Bread pudding, a beloved dessert cherished across various cultures, is crafted from leftover bread, milk or cream, eggs and a fat component. The additional elements introduced into the mix depend on whether the pudding leans towards sweetness or savory richness. The process involves soaking the bread in the liquid components, blending them with the chosen ingredients and baking the concoction to golden perfection.
