Lazydaze Manual Accounting Practice Set Kavanagh & Brown, 2009-12-13 *Sports Zone* Robert Grose, 2007 Sports Zone A manual accounting practice set is a self-paced student text and workbook. This practice set allows students to either complete one or two months of transactions which provides the instructor with an additional form of assessment if required. Sports Zone uses a perpetual inventory method for a retail business using GST. The advantage of using both the manual and computerised methods is that it will be possible for students to compare the results produced manually with the printed results produced by the QuickBooks package. If both the manual and computerised option is taken, then in addition to the manual practice set, the computerised material also comes with instructions and the accounting software on CD Rom.
