The Unanticipated Chicken Dr. Tom Barnette, 2017-10-10. The understanding of new insights about a toxic relationship is only enlightening. Unless you plan to maintain success and the new ideas, there will be NO change. Action and knowledge are NOT the same thing. You must implement Normal Reality in place of the toxic lie. God sets the exclusive measurement of normal reality and success. We all fall under God's natural laws, which include the five rules of the harvest, the five basic human needs, and the five basic conflicts. You cannot replant yesterday's harvest. It is over. You can only plant today what you will grow and harvest tomorrow.
