To Whom This May Concern:

I am writing this letter of support on behalf of (name of immigration applicant), a longtime friend who has recently submitted his application to immigrate to this country.

My name is (your name), I am a citizen of this country, and I have been granted the privilege of knowing (name of immigration applicant) for quite some time now. I have come to consider him to be a man of great character. He has earned my respect and high regard, and I therefore support his application to immigrate to this country.

(Insert brief details about how you met the applicant and where). It is during this time that I have come to realize that his characteristics are among those that you can say have value to this country. In fact, I have met but only a few people with as much kindness and compassion as (name of applicant).

(Insert more personal details to appeal the immigration applicant's case).

I am very happy to let you know that this person is an outstanding citizen whose personal efforts have done the community a greater good, and I believe that he will do the same in his community upon approval of his immigration status. It is a great honor for me to know him, and find it to be an equally great privilege to be his friend.

Should you have any more questions regarding (name of immigration applicant), please do not hesitate to contact me via phone (insert phone number) or through email at (insert email address). I will be more than happy to answer them.

Thank you for your time and consideration, and have a good day ahead.

Sincerely,
Your name and signature

House of Commons - Home Affairs Committee: Asylum - HC 71 Great Britain: Parliament: House of Commons: Home Affairs Committee,2013-10-11 The asylum system is overburdened and under severe pressure The backlog of asylum cases that should have been cleared by 2011 has reached 32 600 with some people waiting up to 16 years for a decision Thousands appear to be living in a sub standard level of housing as part of the COMPASS contract supplied by the private contractors G4S Serco and Clearel These companies must be held accountable The quality of decision making is also of great concern as 30% of appeals against initial decisions were allowed in 2012 The impact of decisions are grave if asylum is not granted when it should be then the UK is failing to protect a vulnerable person If asylum is granted when it is not deserved then the UK may well end up harbouring war criminals and terrorists Those who apply for asylum should be checked against national and international law enforcement agency and security databases to ensure that we are not harbouring those who intend us harm The Home Secretary has to give assurance that any anomalies in the process which have allowed decisions such as this to take place are addressed immediately There are also concerns about the level of support available to those who seek asylum in the UK The Immigration and Asylum Act 1999 section 4 which provides a reduced support system for asylum seekers who had had their claim refused but were unable to return to their country of origin through reasons that were no fault of theirs is not a solution
