Re: Realignment of the Defense Office of Hearings and Appeals

Dear Chairman Principi:

I am an attorney whose practice involves representing many individuals before the Defense Office of Hearings and Appeals (DOHA). Your commission has recommended moving DOHA's headquarters to and consolidating its outlying offices in a central location at Ft. Meade, Maryland for the purpose of consolidating military department adjudication activities.

I am writing this letter as I strongly believe that your Commission failed to adequately examine the reality of DOHA's functions and operations and that the move/consolidation of DOHA to Ft. Meade would not only result in a drastic negative impact on adjudication activities, but also result in exorbitant additional travel-related expenses for DOHA to perform its mission.

First, to address the negative impact on adjudication activities: Among its many responsibilities, DOHA is responsible for the adjudication of security clearance decisions for U.S. citizens. The Administrative Judges of DOHA conduct "hearings" for employees of Government Contractor entities and "appearances" for Military Personnel and Federal Government Employees. Easy access to the locations where these proceedings take place is essential if any applicant or appellant desiring a clearance is to truly be afforded "access" for procedural and substantive due process. The current and foreseeable facility security requirements at ANY military installation, much less at Ft. Meade with its concentration of national security activities, will severely restrict access by applicants, appellants, counsel, court reporters and witnesses. As a retired Navy JAG Corps Captain, with many years of experience accessing military installations I can vouch from personal experience that moving DOHA to Ft. Meade will make it extremely cumbersome and in many instances impossible for required personnel to even gain access to the installation.

Second, to address additional travel-related expenses: Current regulations direct that the proceedings take place within 150 miles of the applicant's/appellant's place of business or residence. To consolidate all of

Inscoe, 2011-05-01 Drawing on two decades of teaching a college level course on southern history as viewed through autobiography and memoir John C Inscoe has crafted a series of essays exploring the southern experience as reflected in the life stories of those who lived it Constantly attuned to the pedagogical value of these narratives Inscoe argues that they offer exceptional means of teaching young people because the authors focus so fully on their confrontations as children adolescents and young adults with aspects of southern life that they found to be troublesome perplexing or challenging Maya Angelou Rick Bragg Jimmy Carter Bessie and Sadie Delany Willie Morris Pauli Murray Lillian Smith and Thomas Wolfe are among the more prominent of the many writers both famous and obscure that Inscoe draws on to construct a composite portrait of the South at its most

complex and diverse The power of place struggles with racial ethnic and class identities the strength and strains of family educational opportunities both embraced and thwarted all of these are themes that infuse the works in this most intimate and humanistic of historical genres Full of powerful and poignant stories anecdotes and testimonials Writing the South through the Self explores the emotional and psychological dimensions of what it has meant to be southern and offers us new ways of understanding the forces that have shaped southern identity in such multifaceted ways
