I, (Client's Name) \_\_\_\_\_ have chosen to consult with and hereby give consent for massage therapy to be provided by (Therapist's name) \_\_\_\_\_ who I understand is a member of the Association of Massage Therapists Ltd (AMT).

I have provided a detailed medical history. I do not expect the therapist to have foreseen any previous or pre-existing condition that I have not mentioned.

I understand that massage may provide benefits for certain conditions but results are not guaranteed. These benefits may include relief of muscular tension, relaxation, reduction in the symptoms of stress-related conditions and provision of general wellbeing.

I also understand that massage therapy may produce side effects such as muscle soreness, mild bruising, increased awareness of areas of pain and light-headedness amongst other possible temporary outcomes.

I am aware that the therapist does not diagnose illnesses, prescribe medications nor physically manipulate the spine or its immediate articulations.

The therapist understands that I have the right to question procedures used and to receive an explanation of any procedures that the therapist performs.

I will tell the therapist about any discomfort I may experience during the therapy session and understand that the therapy will be adjusted accordingly.

Steven Walfish, Jeffrey E. Barnett, Jeffrey Zimmerman, 2017 Handbook of Private Practice is the premier resource for mental health clinicians covering all aspects of developing and maintaining a successful private practice. Written for graduate students considering the career path of private practice professionals wanting to transition into private practice and current private practitioners who want to improve their practice, this book combines the overarching concepts needed to take a mental health practice, whether solo or in a group, from inception through its lifespan. From envisioning your practice to accounting and bookkeeping, hiring staff, managing the practice, and running the business of the practice, a diverse group of expert authors describe the practical considerations and steps to take to enhance your success. Chapters cover marketing, dealing with insurance and managed care, and how to choose your advisors. Ethics and risk management are integrated throughout the text, with a special section also devoted to these issues and strategies. The last section features 26 niche practices in which expert practitioners describe their special area of practice and discuss important issues and aspects of their specialty practice. These areas include assessment and evaluation, specialized psychotherapy services, working with unique populations of clients, and more. Whether read cover to cover or used as a reference to repeatedly come back to when a question or challenge arises, this book is full of practical guidance directly geared to psychologists, counselors, social workers, and marriage and family therapists in independent practice.
