Occupational Therapy Essentials for Clinical Competence Karen Jacobs,Nancy MacRae,2024-06-01 Occupation theory driven evidence based and client centered practice continue to be the core of the profession and are the central focus of Occupational Therapy Essentials for Clinical Competence Third Edition The Third Edition contains updated and enriched chapters that incorporate new perspectives and evidence based information important to entry level practitioners The Third

Edition continues to relate each chapter to the newest ACOTE Standards and is evidence based while also addressing the guidelines of practice and terms from the AOTA's Occupational Therapy Practice Framework Third Edition. Dr. Karen Jacobs and Nancy MacRae along with their 61 contributors introduce every topic necessary for competence as an entry level practitioner. Varied perspectives are provided in each chapter with consistent references made to the relevance of certified occupational therapy assistant roles and responsibilities. Additionally, chapters on the Dark Side of Occupation and Primary Care have been added to broaden the foundational scope of knowledge. Each chapter also contains a clinical case used to exemplify relevant content. New in the Third Edition: All chapters have been updated to reflect the AOTA's Occupational Therapy Practice Framework Third Edition. Updated references and evidence based practice chart for each chapter. Updated case studies to match the current standards of practice. References to the Occupational Therapy Code of Ethics 2015. Faculty will benefit from the multiple choice questions and PowerPoint presentations that coincide with each chapter. Included with the text are online supplemental materials for faculty use in the classroom. Occupational Therapy Essentials for Clinical Competence Third Edition is the perfect multi use resource to be used as an introduction to the material while also serving as a review prior to sitting for the certification exam for occupational therapists and occupational therapy assistants.

Occupational Therapy Essentials for Clinical Competence Karen Sladyk, Karen Jacobs, Nancy MacRae, 2010. This text begins by linking the ACOTE Accreditation Standards with current practice in chapters for students and educators and sets the stage with two foundational concepts vital to the study of occupation flow and culture. It presents a summary of interconnected constructs that define and direct occupational therapy practice. Inside are included: Basic tenets of occupational therapy, Occupational therapy theoretical perspectives, Screening evaluation and referral, Formulation and implementation of an intervention plan, Context of service delivery, Context of delivery service, Management of occupational therapy services, Professional ethics values and responsibilities, Culture and its role in occupational choice and performance. It also includes student activities at the end of each chapter as well as on line material that consists of multiple choice questions, chapter objectives, teacher activities and PowerPoint slides. Some additional features include: Examples as viewed and analyzed from multiple perspectives, Evidence based practice reviews that provide a starting point to have each topic explored in depth, Evaluation of the mastery of application and self assessment exercises, Integration throughout the text of Occupational Therapy Practice Framework Domain and Process Second Edition. The text overall incorporates adult learning theory as its basis to assist in establishing cognitive interest using the organization format of grouping concepts together to reinforce and facilitate learning.
