

Raising the Minimum Driving Age

Place the key in the ignition to start the vehicle, try to clear your blind spot and safety first; situate your seat belt. Every responsible and mature driver does the above ritual to embark on their driving journey, sadly however, people are taking into account raising the minimum driving age. Would this or would this not be an appropriate resolution? I think not. The minimum driving age should not be raised however, others squabble this topic.

Raising the minimum driving age would significantly incontinence large families, independent youths. The driving age should continue at the minimum age that it is currently today. If the minimum age was amplified it would create a huge strain on large families that must depend on the eldest child of the household to run errands. Some households for instance mine; contain one mother, father and five children under the age of eighteen. However, I am the child that is eighteen and very much so reliant upon as if an additional adult. Other families contain two working parents; contrasting mine but, sometimes it proves essential that the eldest child be able to drive as well for responsibilities that maybe requested of him or her. Independent youths depend as well on this minimum driving age. When my father was sixteen and on his own he needed to be able to drive so that he may go
