Sub: Scholarship Thank You Letter

Respected Sir,

I am George Thomas and writing this letter to thank you for granting me scholarship for completing my post graduate degree in marketing from your college. I am really happy to know that I have been selected for the scholarship.

I have completed my bachelor's degree in marketing from your college this year and wanted to further do post graduate in the same field and make a career in the field of marketing. My parents are not capable of affording my college fees and I managed to complete my bachelors by working part time but was now worried about sources to fund the post graduate course. But by granting the scholarship you have eased the financial burden I had, and now I will be able to concentrate on my studies.

I feel short of words to express my gratitude for awarding me this scholarship which means a lot to me. I assure you that I will live up to your expectations and will study dedicatedly for the course.

Regards,
