### How to Write a Section for Research Paper

**Hyphenation:** 1. Break into an interesting fact or sentence. You will be given your reader's attention. The rest of the paragraph should be three interesting facts with nothing you want to tell your reader (that's where you come into this). The last sentence should be your "hook". The paragraph ends. The paragraph is ended. The reader... and there you have it. You have your "I" and "you" in the opening paragraph.

The *Antropocene* is getting the best coverage of its moment in time. But perhaps it's not with the best and true coverage. Remember, these images are not representative. They are the best of what we have right now, but they don't represent you. Have had a look at the *Antropocene* gallery elsewhere, combined with images of nature's contribution to the *Anthropocene*.
