The book is divided into three main parts: various digital dimensions, e-commerce challenges and opportunities for partnership with governments. A final chapter discusses the developments described in the book and the views and ideas of the authors. The book will be of interest to all those responsible for developing and running postal services as well as to anyone affected by the changes which have already taken place or the possibilities opening up for new and improved services. *Dave Lieber's Watchdog Nation: Bite Back When Businesses and Scammers Do You Wrong* Dave Lieber, 2010-10 From one of America's last crusading newspaper columnists, Dave Lieber's Watchdog Nation shares tips, tools, and strategies to bite back when businesses and scammers do you wrong.
