Galaxy Note 10 isn t just thinner and lighter than the Note 9 but it s one of the most compact phones ever Samsung built the Galaxy Note brand on delivering the best big screen phones around The 6.3 inch Note 10 is one of the most compact big screen phones yet thanks to its nearly bezel free Infinity O screen and some features Samsung left on the cutting room floor The Note 10 also boasts several S Pen enhancements including gestures a better camera for video recording outstanding hardware excellent battery life and an easier way to mirror the phone on a PC However these devices pack so much inside

that setting up and personalizing your Galaxy Note 10 can be an intimidating process especially if you don't know where the pertinent settings can be found For instance all the phone's buttons are on the left side of the Note 10 plus Pressing and holding the power button activates Bixby instead of offering power options So there is a learning curve in getting used to the Note 10 Plus layout This complete step by step guide will guide you through all the basics and advance tips and tricks to master your device like a pro Add this guide to your library now and make the most of your device [A Simple Guide to Using the Samsung Galaxy A52 for Beginners and Seniors](#) Dylan Blake,2021-06-02 If you're a SENIOR or anyone in search of an easy step by step guide then this user manual is for you This user guide is a must have for anyone who wants to know how to really operate the Galaxy A52 5G and A72 smartphones A recent survey showed that more than 80% of Samsung users under use their mobile devices To help you maximize all the features of your device you'd need an easy to follow user guide This manual will provide you with all the information you need to use your smartphone like a pro Made simple for you This book is a comprehensive user manual with clear step by step illustrations to guide you through mastering your new device When you get this book you'd learn how to Power on your device Set up your Galaxy A52 smartphone Lock and Unlock your device Use biometric security Remap the side key Disable enable and customize Bixby Use the superfast charging on your device Transfer old files and data easily Customize notification features Customize the home screen Effectively use Always On Display Use the camera options like a pro Use the pin window feature Enable lift to wake Maximize battery life of your device Enable Eye comfort shield Troubleshoot common problems And so much more This book is designed to equip you with all you need to navigate through your phone like a pro Get a copy now by scrolling up and tapping the buy button
