Security And Sovereignty In The North Atlantic

A. Mack, P. Keal

Security And Sovereignty In The North Atlantic:

Security and Sovereignty in the North Atlantic L. Heininen, 2014-11-21 The North Atlantic continues to be an area of international strategic significance regionally and globally This study explores the strong processes of sovereignty as well as new independent states and micro proto states that are forming in the region **Arctic Law and Governance** Timo

Koivurova, QIN Tianbao, Sebastien Duyck, Tapio Nykänen, 2017-02-09 The objective of this book is to identify similarities and differences between the positions of Finland as an EU Member State and China on Arctic law and governance The book compares Finnish and Chinese legal and policy stances in specific policy areas of relevance for the Arctic including maritime sovereignty scientific research marine protected areas the Svalbard Treaty and Arctic Council co operation Building on these findings the book offers general conclusions on Finnish and Chinese approaches to Arctic governance and international law as well as new theoretical insights on Arctic governance The book is the result of a collaboration between The Northern Institute for Environmental and Minority Law Arctic Centre University of Lapland and researchers from Wuhan University

The Sovereignty Wars Stewart Patrick, 2019-05-21 Protecting sovereignty while advancing American interests in the global age Americans have long been protective of the country s sovereignty beginning when George Washington retired as president with the admonition for his successors to avoid permanent alliances with foreign powers Ever since the nation has faced persistent often heated debates about how to maintain that sovereignty and whether it is endangered when the United States enters international organizations treaties and alliances about which Washington warned As the recent election made clear sovereignty is also one of the most frequently invoked polemical and misunderstood concepts in politics particularly American politics The concept wields symbolic power implying something sacred and inalienable the right of the people to control their fate without subordination to outside authorities Given its emotional pull however the concept is easily hijacked by political opportunists By playing the sovereignty card they can curtail more reasoned debates over the merits of proposed international commitments by portraying supporters of global treaties or organizations as enemies of motherhood and apple pie Such polemics distract Americans from what is really at stake in the sovereignty debate namely the ability of the United States to shape its destiny in a global age The United States cannot successfully manage globalization much less insulate itself from cross border threats on its own As global integration deepens and cross border challenges grow the nation s fate is increasingly tied to that of other countries whose cooperation will be needed to exploit the shared opportunities and mitigate the common risks of interdependence The Sovereignty Wars is intended to help today s policymakers think more clearly about what is actually at stake in the sovereignty debate and to provide some criteria for determining when it is appropriate to make bargains over sovereignty and how to make them *International Law and Espionage* John Kish, David Turns, 2023-09-29 Espionage an area of state activity which is vital to international relations yet which is unregulated by international law is coming to assume increasing importance in the New World Order International

Law and Espionage examines four major areas of public international law freedom of information and human rights diplomacy territory and armed conflict A detailed analysis is given of their theoretical and practical connection to the practice of espionage The relevance of international law to espionage is clearly demonstrated not least by the absence of any official link between the two save in time of war The conclusion is inescapable it is high time for international legal provision to be made for the control of an activity which is universal and which plays such a crucial role in the deterrence of conflict and the maintenance of international peace and security International Law and Espionage was written by the late Dr John Kish and completed and edited by David Turns It is an essential reference work for those who seek to understand the ill defined legality and permissibility of espionage in the uncertainties of the modern world Required reading for international lawyers and all interested in the realities of international relations

The Empire of Security and the Safety of the People William Bain,2006-09-27 This is an accessible new examination of what security means today contextualizing the term amongst other key ideas such as the nation state diplomacy war and autonomy By exploring the many differing conceptions of security this study clearly explains how the idea of security in world affairs can be understood in relation to other ideas and points of view It shows how when standing alone the word security is meaningless or just an empty term when divorced from other ideas distinctive to international life This essential new volume tackles the key questions in the debate what norms of sovereignty relate to security does security necessarily follow from the recognition of identity what sort of obligations in respect of security attach to power how far can a political arrangement of empire remedy human insecurity can trusteeship provide security in a world of legally equal sovereign states is security the guarantor of freedom This book is an excellent resource for students and scholars of security studies and politics and international relations

The Mutual Security Program United States. Congress. House. Committee on Foreign Affairs,1951

Energy Security and Geopolitics in the Arctic Hooman Peimani,2013 This book sheds light on how global warming has caused the ongoing environmental disaster in the Arctic namely its melting It offers insights on the issues that have grave implications for energy security and geopolitics in the arctic

Security in the Cyber Age Derek S. Revereon,John E. Savage,2023-11-16 Explore how cyberspace works analyze how state and non state actors exploit vulnerabilities and discover ways to improve cybersecurity

The Security of Iceland and the Arctic 2030 Robert P. Wheelersburg,2022-03-16 This book outlines a recommended Icelandic security force as part of the country s defence against sub strategic threats such as human trafficking by criminals or border incursions by other states It also tests the recommended security force through the development of four different hypothetical scenarios in the year 2030 designed to show the force s successful implementation Melting of the Arctic ice pack and the opening of the Transpolar Sea Route around 2025 could lead to an increase in traffic into the North Atlantic from the Pacific and vice versa That movement is predicted to bring a massive influx of tourists business interests and government entities into the region Along with legitimate uses of the new shipping lanes the

opportunity for terrorists criminals and rogue states to travel in and around the Arctic could lead to increased smuggling violence and sovereignty disputes i e seizing uninhabited terrain A review of Iceland s current security policies indicates that the parliament provided the legal framework to create the recommended security force with the 2016 Parliamentary Resolution establishing a National Security Policy for Iceland Many scholars and government officials believe that the Iceland public would not support a security force culturally Yet recent surveys reveal that many Icelanders could accept a security force to protect them from sub strategic threats especially if the increased security could be attained without the intervention of foreign military forces The recommended security force utilizes Icelandic search and rescue volunteers and Reservists to increase the protection of the country funded by its full NATO contribution

The Mutual Security

Program. Hearings ... 1951 United States. Congress. House. Foreign Affairs,1951 *China and Intervention at the UN Security Council* Courtney J. Fung,2019-07-30 What explains China s response to intervention at the UN Security Council China and Intervention at the UN Security Council argues that status is an overlooked determinant in understanding its decisions even in the apex cases that are shadowed by a public discourse calling for foreign imposed regime change in Sudan Libya and Syria It posits that China reconciles its status dilemma as it weighs decisions to intervene seeking recognition from both its intervention peer groups of great powers and developing states Understanding the impact and scope conditions of status answers why China has taken certain positions regarding intervention and how these positions were justified Foreign policy behavior that complies with status and related social factors like self image and identity means that China can select policy options bearing material costs China and Intervention at the UN Security Council offers a rich study of Chinese foreign policy going beyond works available in breadth and in depth It draws on an extensive collection of data including over two hundred interviews with UN officials and Chinese foreign policy elites participant observation at UN Headquarters and a dataset of Chinese language analysis regarding foreign imposed regime change and intervention The book concludes with new perspectives on the malleability of China s core interests insights about the application of status for cooperation and the implications of the status dilemma for rising powers Security & Arms Control in the North Pacific A. Mack,P.

Keal,2023-05-26 First published in 1988 Security others focus on particular issues the nuclear infrastructure controlling the arms trade confidence building and naval arms control A unifying theme of this collection is the tension between military and non military approaches to security between threat and reassurance and between deterrence and confidence building This comprehensive book is a must read for scholars and researchers of security studies defence studies international politics and diplomacy **Arctic Security in an Age of Climate Change** James Kraska,2011-07-25 This book examines Arctic defense policy and military security from the perspective of all eight Arctic states In light of climate change and melting ice in the Arctic Ocean Canada Russia Denmark Greenland Norway and the United States as well as Iceland Sweden and Finland are grappling with an emerging Arctic security paradigm This volume brings together the world s most seasoned Arctic political

military experts from Europe and North America to analyze how Arctic nations are adapting their security postures to accommodate increased shipping expanding naval presence and energy and mineral development in the polar region The book analyzes the ascent of Russia as the first Arctic superpower the growing importance of polar security for NATO and the Nordic states and the increasing role of Canada and the United States in the region

Routledge Handbook of Arctic Security Gunhild Hoogensen Gjørsv, Marc Lanteigne, Horatio Sam-Aggrey, 2020-01-09 The Routledge Handbook of Arctic Security offers a comprehensive examination of security in the region encompassing both state based and militarized notions of security as well as broader security perspectives reflecting debates about changes in climate environment economies and societies Since the turn of the century the Arctic has increasingly been in the global spotlight resulting in the often invoked idea of Arctic exceptionalism being questioned At the same time the unconventional political power which the Arctic s Indigenous peoples hold calls into question conventional ideas about geopolitics and security This handbook examines security in this region revealing contestations and complementarities between narrower state based and or militarized notions of security and broader security perspectives reflecting concerns and debates about changes in climate environment economies and societies The volume is split into five thematic parts Theorizing Arctic Security The Arctic Powers Security in the Arctic through Governance Non Arctic States Regional and International Organizations People States and Security This book will be of great interest to students of Arctic politics global governance geography security studies and International Relations

Security. Cooperation. Governance. Christian Leuprecht, Todd Hataley, 2023-10-25 Historically national borders have evolved in ways that serve the interests of central states in security and the regulation of trade This volume explores Canada US border and security policies that have evolved from successive trade agreements since the 1950s punctuated by new and emerging challenges to security in the twenty first century The sectoral and geographical diversity of cross border interdependence of what remains the world s largest bilateral trade relationship makes the Canada US border a living laboratory for studying the interaction of trade security and other border policies that challenge traditional centralized approaches to national security The book s findings show that border governance straddles multiple regional sectoral and security scales in ways rarely documented in such detail These developments have precipitated an Open Border Paradox extensive regionally varied flows of trade and people have resulted in a series of nested but interdependent security regimes that function on different scales and vary across economic and policy sectors These realities have given rise to regional and sectoral specialization in related security regimes For instance just in time automotive production in the Great Lakes region varies considerably from the governance of maritime and intermodal trade and port systems on the Atlantic and Pacific coasts which in turn is quite different from commodity based systems that manage diverse agricultural and food trade in the Canadian Prairies and US Great Plains The paradox of open borders and their legitimacy is a function of robust bilateral and multilevel governance based on effective partnerships with substate governments and the private sector Effective policy

accounts for regional variation in integrated binational security and trade imperatives At the same time binational and continental policies are embedded in each country's trade and security relationships beyond North America

Trade, Aid and Security Mark Halle, 2012-04-27 A compelling contribution to our evolving understanding of the links between trade aid and security and what the international community needs to do to ensure peace and development in the world Achim Steiner Executive Director United Nations Environment Programme For far too long the international community has stood by while countries around the world descend into conflict and anarchy We need to understand how we can engage more effectively with fragile and failing states Trade Aid and Security is an important step in this direction Jan Pronk Special Representative of the UN General Secretary in Sudan and Former Minister of Development and the Environment The Netherlands As we begin to contemplate what the post Iraq world will look like it is vital that we reflect on the limits of the utility of hard power and the importance that development can play in avoiding failed states before they fail preventing conflicts and more successfully rebuilding states This timely book makes a most important contribution to that process Lord Paddy Ashdown UN High Representative for Bosnia and Herzegovina 2002-2006 Leader of UK Liberal Democrat Party 1988-1999 As UN Special Representative to the Great Lakes Region of Africa I have seen the devastating impact of the trade in conflict resources with my own eyes Amongst much else this book shows how different trade and aid politics can tackle the trade in conflict resources and make a real contribution to secure societies It is essential reading Mohamed Sahnoun Special Representative of the UN Secretary General in Central and East Africa Iraq Afghanistan Darfur All resonate loudly on the international stage exposing and illustrating the intractable links between global security control over natural resources be it oil water timber or conflict diamonds and the manipulation of foreign aid and international trade policy This volume written by leading authorities from across the globe introduces the linkages between trade aid and security and exposes how inappropriate or misused trade and aid policy can and do undermine security and contribute to violence and the disintegration of national states On a practical level they demonstrate how six key areas of trade and aid policy can be used to help forge stability and security reduce the likelihood of armed conflict and assist economic and political recovery in our war torn world

Northern Security and Global Politics Ann-Sofie Dahl, Pauli Järvenpää, 2013-08-15 This book takes a comprehensive approach to security in the Nordic Baltic region studying how this region is affected by developments in the international system The advent of the new millennium coincided with the return of the High North to the world stage A number of factors have contributed to the increased international interest for the northern part of Europe climate change resulting in ice melting in Greenland and the Arctic and new resources and shipping routes opening up across the polar basin foremost among them The world is no longer unipolar and not yet multipolar but perhaps post unipolar indicating a period of flux and of declining US unipolar hegemony Drawing together contributions from key thinkers in the field Northern Security and Global Politics explores how this situation has affected the Nordic Baltic area by addressing two broad sets of questions

First it examines what impact declining unipolarity with a geopolitical shift to Asia a reduced role for Europe in United States policy and a more assertive Russia will have on regional Nordic Baltic security Second it takes a closer look at how the regional actors respond to these changes in their strategic environment This book will be of much interest to students of Nordic and Baltic politics international security foreign policy and IR

Globalization, Security, and the Nation State Ersel Aydinli, James N. Rosenau, 2012-02-01 This volume studies the links among the concepts of globalization security and the authority of the nation state drawing attention to why and how these three concepts are interrelated and why they should be studied together Contributors explore the connections between security and global transformations and the corresponding or resulting changes in state structures that emerge Probing and extending existing paradigms the book offers three regional cases studies the periphery states of the Middle East and North Africa the second world states of the Russian Federation and the core states of the European Union It concludes with three chapters that synthesize the above themes to identify corresponding changes in the patterns of international politics

Strategy and Security in the Asia-Pacific Robert Ayson, Desmond Ball, 2020-07-25 From the war on terror to the rise of China this book unlocks the major strategic themes and security challenges of the early twenty first century Strategy and Security in the Asia Pacific provides the analytical frameworks needed to make sense of this complex but exciting strategic universe Offering a unique mix of global strategic thinking and Asia Pacific security analysis this book is for readers from Sydney to Seoul who want to put their own local security challenges in a wider regional and global context It is also for North American and European readers requiring an understanding of the dynamic security developments in the Asia Pacific region around which so much of global strategy is increasingly based The really vital questions facing the international community are dealt with here Why do governments and groups still use armed force Has warfare really changed in the information age Why should we be concerned about non traditional security challenges such as water shortages and the spread of infectious disease Is a great clash imminent between the United States and China What are the prospects for peace on the Korean peninsula and between India and Pakistan Can Southeast Asia survive the challenges of transnational terrorism What does security mean for the Pacific island countries and for Australia and New Zealand With contributions from leading commentators and analysts Strategy and Security in the Asia Pacific offers a comprehensive and authoritative introduction to the field

The National Security of Small States in a Changing World Efraim Inbar, Gabriel Sheffer, 2013-09-13 The first part of this book is primarily devoted to analysing the impact of the system of international relations on the fortunes of small states The second part discusses the question what changes in the national strategy of small states are necessary in view of the new international system The authors of this volume come from various parts of the world and espouse differing outlooks Nevertheless they were able to coalesce around a similar theme in an effort to contribute to the international understanding of the special challenges that confront the world's small states

Security And Sovereignty In The North Atlantic Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Security And Sovereignty In The North Atlantic free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Security And Sovereignty In The North Atlantic free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Security And Sovereignty In The North Atlantic free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Security And Sovereignty In The North Atlantic. In conclusion, the internet offers numerous platforms and websites that allow users

to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Security And Sovereignty In The North Atlantic any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Security And Sovereignty In The North Atlantic Books

1. Where can I buy Security And Sovereignty In The North Atlantic books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
