International Spa Management Sarah Rawlinson, Tim Heap, 2017-02-28 a sound and though guide for all future spa managers looking at all aspects on the successful running of a spa facility Divided into four parts it discusses the following The spa industry The spa consumer The business of spas Future directions Routledge Handbook of Tourism and Hospitality Development in Vietnam Tuyen Dai Quang, Tan Vo-Thanh, 2025-03-27 Written from a range of disciplinary perspectives including local Vietnamese scientists and practitioners the book offers valuable insights into the challenges opportunities and local realities of the tourism and hospitality industries Through its six sections covering various topics such as destination development and marketing sustainable practices customer experience and satisfaction community engagement and development workforce development and education and technology and innovation the book provides a deep dive into the dynamics of Vietnam s tourism and hospitality landscape It explores emerging trends transformative experiences and policy recommendations for sustainable growth This book bridges a significant gap in the literature on Vietnamese tourism and hospitality offering insights relevant to anyone interested in the future of these industries in emerging destinations beyond this region This volume will be an invaluable resource for practitioners policymakers scholars researchers and students of tourism and hospitality An Illustrated History of Health and Fitness, from Pre-History to our Post-Modern World Roy J. Shephard, 2014-11-27 This book examines the health fitness interaction in an historical context Beginning in primitive hunter gatherer communities where survival required adequate physical activity it goes on to consider changes in health and physical activity at subsequent stages in the evolution of civilization It focuses on the health impacts of a growing understanding of medicine and physiology and the emergence of a middle class with the time and money to choose between active and passive leisure pursuits The book reflects on urbanization and industrialization in relation to the need for public health measures and the ever diminishing physical demands of the work place It then evaluates the attitudes of prelates politicians philosophers and teachers at each stage of the process Finally the book explores professional and governmental initiatives to increase public involvement in active leisure through various school worksite recreational and sports programmes

Wellness Tourism Cornelia Voigt, Christof Pforr, 2013-11-20 Core values of society health and wellbeing impact today on all aspects of our lives and have also increasingly influenced patterns of tourism consumption and production In this context wellness has developed into a significant dimension of tourism in a number of new and long established destinations However although it is consistently referred to as one of the most rapidly growing forms of tourism worldwide there still remains a dearth of academic literature on this topic This book uniquely focuses on the supply side of wellness tourism from a destination perspective in terms of the generation and delivery of products and services for tourists who seek to maintain and improve their health This approach provides a better understanding of how wellness tourism destinations develop and explores the specific drivers of that growth in a destination context and how destinations

successfully compete against each other in globalised market place A range of wellness destination development and management issues are examined including the importance of authenticity an appropriate policy framework delivery of high quality goods and services participation of a broad range of stakeholders and the development of networks and clusters as well as collaborative strategies essential for a successful development and management of a wellness tourism destination International case studies and examples from established and new wellness tourism destinations are integrated throughout This timely volume written by leaders in this sector will be of interest to tourism and hospitality students and academics internationally

Cleanliness and Culture C. (Kees) van Dijk, Jean Gelman Taylor, 2011-01-01 Recent years have shown an increase in interest in the study of cleanliness from a historical and sociological perspective Many of such studies on bathing and washing on keeping the body and the streets clean and on filth and the combat of dirt focus on Europe In Cleanliness and Culture attention shifts to the tropics to Indonesia in colonial times as well as in the present Subjects range from the use of soap and the washing of clothes as a pretext to claim superiority of race and class to how references to being clean played a role in a campaign against European homosexuals in the Netherlands Indies at the end of the 1930s Other topics are eerie skin diseases and the sanitary measures to eliminate them and how misconceptions about lack of hygiene as the cause of illness hampered the finding of a cure Attention is also drawn to differences in attitude towards performing personal body functions outdoors and retreating to the privacy of the bathroom to traditional bathing ritual and to the modern tropical Spa culture as a manifestation of a New Asian lifestyle With contributions by Bart Barendregt Marieke Bloembergen Kees van Dijk Mary Somers Heidhues David Henley George Quinn and Jean Gelman Taylor
