

A woman with long dark hair is shown from the chest up, wearing a black lace crop top. Her right hand is raised near her face. The image is overlaid with a complex network of glowing blue and green digital lines and circuitry patterns, giving it a high-tech or cybernetic feel. The background is a soft, out-of-focus light blue.

young couple noticing much less than taking the interest in him and his cross dressing panty fetish Excerpt For over a week I had been dying for today to finally arrive I was finally going to get to see my girl again I d never met anyone this wonderful or special before and I wanted to do whatever it took to make sure I held onto her To find someone who knew me and accepted me for who I was is a very rare thing She knew everything about me I held nothing back I couldn t keep anything from her so that naturally lead to her finding out about my cross dressing fetish I m not passable at all but the feel of lingerie against my skin always turns me on I d been chatting to her online talking about everything and nothing as usual but in particular the fact I was coming down to see her by train It s safe to say that we re completely smitten with each other pretty much horny all the time and were likely to jump on each other the moment we could With this in mind she decided to have a little fun in advance Her dominant nature immediately kicked in and she told me that when I came down to see her I was to be wearing some lingerie underneath my normal clothes The very thought of it got me hard as iron and I agreed to her demands So Friday morning finally came around I got up early and had a bath With just a towel wrapped around my waist I returned to the bedroom where I had laid out my clothes A T shirt jumper pair of jeans socks seamed stockings suspender belt and a pair of black sheer panties I slowly slid the stockings up my legs fastening the tops to the suspender belt I then pulled the panties on struggling to contain my already hard cock within them It took a lot of effort to not start playing with myself there and then The rest of my clothes were then put on over this hiding them entirely I picked up my bag which was mostly filled with other cross dressing stuff toys and bondage gear put on my coat and boots and headed out the door The trip down to the station was its normal dull experience so I lost myself in my book until I got to the city center A brief walk down to the railway station feeling the stockings rubbing against my jeans and I was there 20 minutes early I figured a cup of coffee was in order so I sat with my book waiting A young couple were sat at the table opposite me The girl kept looking over towards me as I sat with my legs crossed reading She kept nudging the man with her indicating in my way I figured they were taking the piss out of my bandana but it kept my hair out of the way so I didn t care I finished my coffee and headed down to the platform a few minutes before the train was due to arrive It pulled in and I walked down until I found the carriage I was in As I got on the train I noticed the same young couple getting on at the opposite end of the carriage I headed in found my seat pulled out my book again and sat down I was a little surprised when the couple sat down opposite me but I just ignored them The journey from Nottingham to Birmingham was uneventful I just read my book trying to concentrate on it and not what I was hoping would happen over the weekend I had to change for Bristol and again sat with my book The train pulled off again and after a while I started to feel tired I put my book to one side and curled up a little in the seat next to the window and dozed off I was vaguely aware of the train pulling in and out of stations and people sitting in the seats opposite but I just carried on pretending to be fast asleep reducing the chances of someone asking me to shift my bags so they could have the seat next to me I slept for a while then slowly came too As I did I was suddenly aware of two things The

first was the fact that my cock was rock hard again staining against my panties and jeans The second thing was why it was like that there was a foot rubbing up against it Gay Erotica Vol. 1 Powers Dick (author),1901 **Sissy Wears Panties** Marie Shore,Cross Dressing Erotica,Transgender Erotica, After reading the story of about a woman who held a man in bondage for 6 years Chris wonders if the woman would do the same for him Can his fantasy of being helpless in silky frilly pink panties come true Excerpt Chris realizes the woman who has been recently released lives quite close by he recognized her when he went to the local supermarket By a stroke of fortune he caught a sight of her entering her home in Green Street A little research revealed the new name she was living under After pondering the matter and exhausting himself with dark and delicious fantasies he resolves to meet this woman but he has a problem Although he spent a considerable percentage of his life fantasizing about dominant women he never had the courage to submit himself for real He hatches a cunning plan He decides to pretend to be a reporter for a popular newspaper He thinks he may persuade her to give a private and anonymous interview and that way he hopes he will be able to ask all sorts of questions under the pretense it is not himself interested in these matters but rather his sordid readership He picks up the phone The woman of his dark desire answers and listens to the proposition intensely She is quite surprised by the fact Chris knows who she is What Chris does not know is this woman recognizes the voice on the phone and he will become the subject of another darker fantasy the woman s *Crossdressing College Roommates* Dwindle Gee,2018-08-23 Fall semester 1958 The cars are huge The hair is big And the boys are absolutely enormous While some of the girls have a little bonus lurking beneath their poodle skirts This exquisitely lurid ribald hard hitting and rump roasting book set in the repressed and square 1950 s burns brightly and intensely as two young crossdressers Sherry and Wendy venture out into the night on the hunt for some good old fashioned fun at a local drag party This isn t the kind of sex your grandparents were having Or is it Think grandpa never had an eye for a convincing transvestite at the local watering hole Think Grandma never caught Gramps wearing her lingerie Think we do it differently now Think again as there isn t anything new under the sun especially when it comes to a couple of horny college students kanoodling in the roomy backseat of a Chrysler New Yorker at a drive in theater The story starts when Gary a crossdressing junior makes a startling discovery while snooping around in his roommate s dresser Wearing his finest lingerie and entertaining one of his admirers Benny young Gary stumbles upon a cache of delectable silken undergarments hidden in his roommate s dresser It appears that Gary and his roommate Jeremy share the same passion for dressing up as young college coeds What are the odds After a scintillating and passionate roll in the hay with Benny Gary who prefers to go by the name Sherry comes to a decision He will confront his roommate while en femme and encourage Jeremy to come out to a drag party happening in downtown Milwaukee that Saturday night In this scorching and explicit book we follow the pair of young and lusty crossdressers as they explore the outside world together They find themselves at a drag birthday party where they trawl for young men hoping to find some fellas to show them a good time At the party filled with all sorts of colorful creatures
