How to Draw a Novel Martin Solares, 2023-12-12 Finalist for the Big Other Book Award for Translation. From the acclaimed author of *The Black Minutes* and *Don't Send Flowers*, *How to Draw a Novel* is an ingenious and visually stimulating exploration of narrative and craft from master storyteller and former publisher Martín Solares. In this finely wrought collection of essays, Martín Solares examines the novel in all its forms, exploring the conventions of structure, the novel as a house that one must build brick by brick, and the objects and characters that build out the world of the novel in unique and complex ways. With poetic, graceful prose that reflects the power of fascination with literary fiction, Solares uses line drawings to realize the ebb and flow of the novel: with *Moby-Dick* spiraling across the page while *Dracula* takes the form of an erratic heartbeat. A novelist, occasional scholar, and former acquiring editor in Mexican publishing, Solares breaks out of the Anglo-American dominated canon of many craft books ranging across Latin and South America as well. He considers how writers invent or discover their characters, the importance of place or not in the novel, and the myriad of forms the novel may take. Solares' passion for the form is obvious, and his insights into the construction of the novel are as profound as they are accessible. This is a writer's book and an important contribution to the study of craft and fiction.

Almost Perfect Alice Adams, 2011-06-08 No other writer in recent memory has called to mind so clearly the work of F. Scott Fitzgerald. *The Washington Post*: In *Almost Perfect*, Alice Adams brilliantly and movingly explores what happens to love when the beloved is transformed into someone unrecognizable. They were an almost perfect couple. They met when Stella Blake was not yet a famous writer but Richard Fallon is an artist known by everyone, charming, talented, he loved and hated, adored and admired. And they fall in love when she interviews him for a magazine. But then Stella watches as the man she adores begins a steady and frightening descent into darkness, even madness.
