

The background of the cover features a complex, three-dimensional molecular structure. It consists of a network of dark blue spheres connected by grey rods, forming a lattice-like framework. Interspersed within and around this structure are several translucent, glowing spheres. A large, prominent red sphere with a pattern of white dots is the central focus. Other smaller red and yellow spheres are scattered throughout the scene, some appearing to be part of the molecular structure and others floating nearby. The overall lighting is dramatic, with highlights on the translucent spheres and deep shadows within the molecular framework.
