Nigerian Pentecostalism and Development Richard Burgess, 2020-04-06 This book examines the contributions both intentional and unintentional of Nigerian Pentecostal churches and NGOs to development studying their development practices broadly in relation to the intersecting spheres of politics economics health education human rights and peacebuilding In sub Saharan Africa Pentecostalism is fast becoming the dominant expression of Christianity but while the growth and civic engagement of these churches has been well documented their role in development has received less attention The Nigerian Pentecostal landscape is one of the most vibrant in Africa Churches are increasingly assuming more prominent roles as they seek to address the social and moral ills of contemporary society often in fierce competition with Islam for dominance in Nigerian public space Some scholars suggest that the combination of an enchanted worldview an emphasis on miracles and prosperity teaching and a preoccupation with evangelism discourages effective political engagement and militates against development However *Nigerian Pentecostalism and Development* argues that there is an emerging movement within contemporary Nigerian Pentecostalism which is becoming increasingly active in development practices This book goes on to explore the increasingly transnational approach that churches take often seeking to build multicultural congregations around the globe for instance in Britain and the United States *Nigerian Pentecostalism and Development* Spirit Power and Transformation will be of considerable interest to scholars and students concerned with the intersection between religion and development and to development practitioners and policy makers working in the region

This book contains explanations and instructions that will successfully grant the believers to secure their asking from the Lord. It is specifically designed to provide and show to its readers that we must meet God's standards to be compensated for what we petition from him. The amplification found in this book's contents are meant to point toward the vital necessity of preparing those who are seeking God's providence and offer guidance through God's order so that the believer can richly review and embrace the evidence of what is desired from the Lord. If we will follow God's instructions written in this book, you will observe what you requested from God and the manifestation of it from the Lord along with the fulfilling of God's promised word found in Philippians 4:19: "But my God shall supply all your need according to his riches in glory by Christ Jesus."

Tools of the Trade Training Manual Eddie Copeland Jr. Iris Tull Copeland, 2022-10-20. Our primary purpose for writing this type of book was to honor God for His grace and His mercy as He continually blesses my life. My heart's desire is to provide the people of God with the tools necessary to become effective in fulfilling the mandate of every believer. We are commanded to Go, therefore, and make disciples of all the nations. Mathew 28:19a. We have found that many believers are hesitant to Go. Believers lack the confidence to stand before

an unbelieving world because they feel unprepared Tools of the Trade is our gift from God to put the saints on the road to successful witnessing for the kingdom of God Our passion for telling sharing and teaching flows from a place of great concern While teaching at the local church we have found that a limited number of people feel equipped and confident to share the gospel with strangers We have a profound desire to tell more people about the message of Jesus and teach the basic concepts and ideas of how to fulfill the scriptures and command To Go Our passion for telling sharing and teaching flows from a place of great concern While teaching at the local church we have found that a limited number of people feel equipped and confident to share the gospel with strangers

A Moment in Time Mark Spencer, 2012-05-22 A Moment in Time will encourage believers to entertain principles of grace based theology and after careful consideration embrace them When we are convinced of the gracious simplicity in acquiring the free gift of eternal life it impacts how we share our faith When we are confident this free gift can't be lost it calms us down When we are certain Christ will repay and recompense us for what we do with this free gift we are motivated to be holy as He is holy In looking at the biblical text Christians will be reminded that justification is provided at no cost to them They will see there's room for failure in the Christian life But they will also learn where there's great grace there's great accountability and great reward It is wonderful to see this fresh look at many of the grace issues at a popular level Mark Spencer has given us an insightful look into the implications of grace in the task of evangelism and discipleship Recommended reading Dr Joseph Dillow Mark Spencer has the wonderful ability to communicate deep biblical truths in an interesting and straightforward way The reader will find a clear articulation of the grace message and convincing arguments against those who have corrupted it I am glad to see this comprehensive and persuasive presentation of the gospel of grace and its implications It will serve us well as we seek to share this message with the world Dr Charlie Bing This is a book that needs to be taken seriously as a helpful guide to developing a strategic plan to be servants of Christ in our areas of influence As Mark said his last 25 years as a police officer went by overnight so how fast will the years fly by in our lives We all have a mission and an obligation to be useful to the Master Dr John South

Scriptural Principles of Gathering Alfred P. Gibbs, 2012-10 It is very needful that the fundamental principles relating to the fellowship of believers as taught in Scripture are freshly presented for the help and guidance of believers in Christ The reader will find that this book gives him in simple language a clear concise and pointed statement of the teaching of Scripture as to the manner in which the Lord's people are to gather together and in those connection the order it lays down as to reception worship and ministry In doing this the author also makes plain the reasons for separation from the existing unscriptural sects and denominations of Christendom Such as separation is indeed needful so that the will of God for His people may be carried out a thing not possible in the religious systems of men with their humanly devised names offices of service ministry and ritual
