Rccg Nigeria Sunday School Manual:

Nigerian Pentecostalism and Development Richard Burgess, 2020-04-06 This book examines the contributions both intentional and unintentional of Nigerian Pentecostal churches and NGOs to development studying their development practices broadly in relation to the intersecting spheres of politics economics health education human rights and peacebuilding In sub Saharan Africa Pentecostalism is fast becoming the dominant expression of Christianity but while the growth and civic engagement of these churches has been well documented their role in development has received less attention The Nigerian Pentecostal landscape is one of the most vibrant in Africa Churches are increasingly assuming more prominent roles as they seek to address the social and moral ills of contemporary society often in fierce competition with Islam for dominance in Nigerian public space Some scholars suggest that the combination of an enchanted worldview an emphasis on miracles and prosperity teaching and a preoccupation with evangelism discourages effective political engagement and militates against development However Nigerian Pentecostalism and Development argues that there is an emerging movement within contemporary Nigerian Pentecostalism which is becoming increasingly active in development practices This book goes on to explore the increasingly transnational approach that churches take often seeking to build multicultural congregations around the globe for instance in Britain and the United States Nigerian Pentecostalism and Development Spirit Power and Transformation will be of considerable interest to scholars and students concerned with the intersection between religion and development and to development practitioners and policy makers working in the region

Chitando,Adriaan van Klinken,2016-05-12 Issues of homosexuality are the subject of public and political controversy in many African societies today Frequently these controversies receive widespread attention both locally and globally such as with the Anti Homosexuality Bill in Uganda In the international media these cases tend to be presented as revealing a deeply rooted homophobia in Africa fuelled by religious and cultural traditions But so far little energy is expended in understanding these controversies in all their complexity and the critical role religion plays in them Complementing the companion volume Public Religion and the Politics of Homosexuality in Africa this book investigates Christian politics and discourses on homosexuality in sub Saharan Africa The contributors present case studies from various African countries from Nigeria to South Africa and from Cameroon to Uganda focusing on Pentecostal Catholic and mainline Protestant churches They critically examine popular Christian theologies that perpetuate homophobia and discrimination but they also discuss contestations of such discourses and emerging alternative Christian perspectives that contribute to the recognition of sexual diversity social justice and human rights in contemporary Africa

Les Églises d'initiative africaine Hannes Wiher,2019-12-31 La littérature sur le thème des églises d'initiative africaine est très abondante en anglais mais ce thème n'est pas encore un sujet de réflexion très abordé et approfondi dans le monde francophone Il suscite souvent des réactions stéréotypées et négatives qui contrastent avec l'appréciation positive des membres et des promoteurs des églises d'initiative africaine Comment faut-il donc voir ce mouvement d'envergure croissante Cet ouvrage donne la parole la fois aux membres et missiologues issus des églises d'initiative africaine et aux voix extérieures pour présenter ce thème en faisant une description puis une évaluation de la contextualisation faite par ces églises et mouvements Ce deuxième texte en français sur les églises d'initiative africaine rédigé dans une perspective vangelique est le fruit d'un travail collectif des doctorants en missiologie de la Faculté de théologie vangelique de Bangui au Cameroun largi quelques missiologues du Réseau vangelique de missiologues pour la francophonie Il intéressera tous ceux qui désirent mieux connaître les églises d'initiative africaine

20 Pentecostal Pioneers in Nigeria Israel O. Olofinjana,2011-02-04 Ever so often a book comes along that I feel should have been written years ago and this book is one of them As a Christian who found faith in Nigeria in the 80s I was intrigued by stories about God Generals those men and women that led 20th century revivals across the world most of them in the West Now I have in my hands a book that shares some of the stories of some of my fellow countrymen who shaped the faith landscape in Nigeria I am really impressed with the diversity of the leaders identified and the depth of the research undertaken This book in my view should be a must read for anyone interested in origins of Pentecostalism in Nigeria Keno Ogbo Co editor The Black Church in the 21st Century The Lord joined us to the ministry of Benson Idahosa for 20 years and we saw firsthand the reality and power of the gospel in Africa that has touched the world The Lord's sovereign work in the continent is going to impact the globe for generations to come Thank God for the African church of Jesus Christ Millions of strong and faithful believers are coming forth at this critical time as God builds His church Dr Kent Ruth Hodge President of Christian Faith Institute Jos Nigeria Christianity has

been recognised to be a growing religion in Sub Sahara Africa The expression of Christianity that is expanding in Africa is Pentecostalism One reason for this growth is the renewal factor which has engulfed the whole continent Nigeria is one of the countries that has and is still experiencing revival that is contributing to local and global Christianity What is the origin of Pentecostalism in Nigeria What contributions did the late Archbishop Benson Idahosa make to the Pentecostal scene in Africa Why is RCCG one of the fastest growing Churches in the World This book considers the history of Pentecostalism in Nigeria by looking at the pioneering efforts of men and women who laid the foundation of the Movement **Pentecostalism and**

Politics in Africa Adeshina Afolayan, Olajumoke Yacob-Haliso, Toyin Falola, 2018-06-29 As the epicenter of Christianity has shifted towards Africa in recent decades Pentecostalism has emerged as a particularly vibrant presence on the continent This collection of essays offers a groundbreaking study of the complex links between politics and African Pentecostalism Situated at the intersection between the political the postcolonial and global neoliberal capitalism contributors examine the roots of the Pentecostal movement s extraordinary growth how Pentecostalism intervenes in key social and political issues such as citizenship party politics development challenges and identity and conversely how politics in Africa modulate the Pentecostal movement Pentecostalism and Politics in Africa offers a wide ranging picture of a central dimension of postcolonial African life opening up new directions for future research Public Religion and the Politics of Homosexuality in Africa Adriaan van

Klinken, Ezra Chitando, 2016-04-14 Issues of same sex relationships and gay and lesbian rights are the subject of public and political controversy in many African societies today Frequently these controversies receive widespread attention both locally and globally such as with the Anti Homosexuality Bill in Uganda In the international media these cases tend to be presented as revealing a deeply rooted homophobia in Africa fuelled by religious and cultural traditions But so far little energy is expended in understanding these controversies in all their complexity and the critical role religion plays in them This is the first book with multidisciplinary perspectives on religion and homosexuality in Africa It presents case studies from across the continent from Egypt to Zimbabwe and from Senegal to Kenya and covers religious traditions such as Islam Christianity and Rastafarianism The contributors explore the role of religion in the politicisation of homosexuality investigate local and global mobilisations of power critically examine dominant religious discourses and highlight the emergence of counter discourses Hence they reveal the crucial yet ambivalent public role of religion in matters of sexuality social justice and human rights in contemporary Africa **Word Made Global** Mark R. Gornik, 2011-07-22 A groundbreaking work of ethnography urban

studies and theology Mark Gornik s Word Made Global explores the recent development of African Christianity in New York City Drawing especially on ten years of intensive research into three very different African immigrant churches Gornik sheds light on the pastoral spiritual and missional dynamics of this exciting global transnational Christian movement

Transnational Religious Spaces Philip Clart, Adam Jones, 2020-07-06 This volume bringing together work by scholars from Europe East Asia North America and West Africa investigates transnational religious spaces in a comparative manner

by juxtaposing East Asian and African examples It highlights flows of ideas actors and organizations out of into or within a given continental space These flows are patterned mainly by colonialism or migration The book also examines cases where the transnational space in question encompasses both East Asia and Africa notably in the development of Japanese new religions in Africa Most of the studies are located in the present a few go back to the late nineteenth century The volume is rounded off by Thomas Tweed s systematic reflections on categories for the study of transnationalism his chapter Flows and Dams critically weighs the metaphorical language we use to think speak and write about transnational religious spaces
