Click on the “Lab Safety Contract” link

We require safety in the laboratory at all times. Print out that contract, read it, sign and date it, and return it to your lecture instructor or lab instructor On the first day of class.

If you signed a lab safety contract for BIOL 211, you need to sign another one for BIOL 212.

Failure to follow this policy typically results in your being asked to leave that laboratory session for the day, but serious violations can result in a failing grade for this course.
