**Get It Done: Write a Cover Letter** Jeremy Schifeling, 2018-09-25. Want to write the perfect cover letter but don't have time to read through a 300-page book first? Then *Get It Done* is for you. Here's why it's been a Kindle best seller for six years in a row: 1. It's fast. The whole book takes about 30 minutes to read. 2. It's to the point. It breaks the cover letter down to 12 parts and gives you a precise template to complete for every single step. 3. It works. I developed this system while serving as a Recruiter for Teach For America. I've since taught it to MBAs as a Career Coach at the University of Michigan, leading to job offers from Apple, GE, Microsoft, Amazon, LinkedIn, and Google. And the system has even been featured in *U.S. News*. I was just another piece of paper in the deck. Jeremy's beneficial insight to the cover letter was against my traditional understanding. His direct nature and step-by-step guidance proved to be beneficial in my search. I was able to go through the book and develop a brand new cover letter from scratch in less than an hour. Given the price of the book and the time it takes to go through, there is absolutely no excuse why you shouldn't buy it right now and start fresh in conveying your background to your next employer. LJ. If you like me, hate writing cover letters, then this book is for you. Before reading this book, I was not even using cover letters because I thought they didn't matter, and I didn't know what to say. I just sent as many resumes as possible to as many job postings as possible. This book changed my life. It convinced me, no doubt, one of the most shameless no-cover-letter resume spammers out there to stop and write a cover letter. Plus, Schifeling lays out a series of clear, quick steps that make it easy and anxiety-free. Jane E. Nevins. What you'll get: A sample cover letter using the exact same approach that the author and hundreds of others have used to land jobs from Amazon to Zynga. A cover letter template that's broken down into step-by-step chunks, making it easy to apply to your own application. The definitive cover letter format that recruiters and hiring managers prefer based on actual recruiting and hiring experience.
