

SAMPLE LETTER OF RECOMMENDATION FOR ANESTHESIA RESIDENCY

TO THE DIRECTOR OF ADMISSIONS OF MERCY HOSPITAL:

It is a pleasure to be able to write this recommendation letter to support Mr. Jared Go in his application for an anesthesia residency at Mercy Hospital. He is a high-achieving fourth year medical student who has strong skills in both surgery and postoperative care, as well as excellent experience in anesthesia as applied to different surgical contexts. I believe that his excellent attention to detail and ability to adapt quickly to new situations will make him an excellent candidate for your program.

I first met Mr. Go during his first year discussion course, where students were expected to attend medical research lectures to better familiarize themselves with the field. Mr. Go greatly impressed me with his intelligent questions, which demonstrated a strong understanding of the field as well as an ability to think logically about medical questions and their implications. He was among the top 5% of his graduating class, and his ability to quickly learn new techniques has drawn him admiration from classmates and supervisors alike. He has a deep understanding of human physiology and neurology, and I know he will put his skills to great use as an anesthesiologist.

In addition to his technical skillset, Mr. Go is also an excellent team player, as demonstrated during his anesthesia rotation in medical school. He worked very well to support the rest of the medical team, able to predict and discern the need for action without any verbal cues. He also has excellent patient bedside mannerisms which put patients and families at ease during procedures. I have every confidence that Mr. Go will continue to hone and develop his outstanding medical skillset, and I highly recommend him to you without any reservations.

Sincerely,
Bob Jones, MD
Professor of Medicine
