other cast off fabrics into the extraordinary quilts for which they are known By drawing on the means and materials at hand to create celebrated works of art in conditions of extreme poverty these women show how marginalized artisans can operate both within and outside the bounds of established aesthetic traditions and communicate the particulars of their experience across cultural and economic divides **The Rotarian** ,1945-02 Established in 1911 The Rotarian is the official magazine of Rotary International and is circulated worldwide Each issue contains feature articles columns and departments about or of interest to Rotarians Seventeen Nobel Prize winners and 19 Pulitzer Prize winners from Mahatma Ghandi to Kurt Vonnegut Jr have written for the magazine
