

Sample Speech by School Principal on Graduation Ceremony

Your excellence _____, Minister of State for Youth Affairs, governing board members, school staff, parents, and honored guests, welcome to our 15th graduation ceremony.

Today marks both an end and a new beginning for our graduates. A time for parents to both honor their child's accomplishments and a time to worry as they embark on their next journey.

But parents let me put your mind at ease, your child is very well prepared for whatever they choose to peruse after [School Name].

Through the education and the knowledge that they have, and most importantly the guidance, values and the love that you, the parents, have provided to your children, now they are ready to face any challenge.

Today we celebrate dedication and love. Parents, you must be proud of your child and yourselves. On behalf of the school and the students, I want to say: thank you.

Teachers, you have been a key element in the children's education. Your unconditional support has inspired and encouraged them to achieve their best at [School Name]. Your planning, teaching, and encouraging have come to fruition. How proud you must be today to see your students with bags of good character, lifelong learning skills, and integrity. Your support and dedication cannot be stressed enough. None of this is possible without you. On behalf of the students and the parents, I want to say: thank you.

[School Name] is committed to creating an innovative and a creative education system and to prepare students for a rapidly changing world. We are keen to achieve excellence in education and to ensure relevance, quality, and balance among intellectual, and physical elements in the learning process.

Our mission is to empower and educate students through engaging them in positive student-centered education that balances academic excellence with physical, social and emotional well-being. Massive investments have been planned to create systems based on the requirements of the National Agenda. We are prepared today as we have always been.

Graduates, our warmth congratulations. Just 14 short years ago, you wondered into the kindergarten classroom to start your learning journey. Today, you are about to walk through the school gates as students for one last time.

You took all the knowledge and attention your parents provided and molded it into your own character, making you the fine young ladies and gentlemen that you are today.

Don't you forget where you came from. Remember the foundation of your family and your society, build upon it and use it to guide you in everything that you do. Stick to the values, morals, and ethics that you were raised into and honor them in every day of your life.
