1 Visa applicant's name

Family name   
Given names

2 Name of applicant's partner or fiancé(e)

Family name   
Given names   
How long have you known this person?

3 State how you know the applicant and the applicant's partner or fiancé(e), and indicate how often you have been in contact with them

I am the brother of the applicant's sponsor/spouse, Bruce Wayne. I have known Skype Walker for the last 2 years after he was introduced to our family by my sister.

I first met Skype in person in December 2014 when he travelled to Australia with Bruce to visit us. During this trip, Skype and Bruce stayed with my family at our Castle Hill residence for a few days while they were in Sydney.

While my sister lived in Russia, we stayed in contact via phone calls.

If insufficient space, please attach additional details

4 State whether you believe the relationship of the applicant and his/her partner or fiancé(e) to be genuine and continuing, and give your reasons for your belief

Bruce told me about her friendship with Skype well before they started their relationship. She told me about the holidays that they took together, what activities they did together after she moved to Moscow, etc.

She also told me about how Skype helped her get over her prior divorce from her former partner, and also the financial assistance that he has provided to her after she moved into his apartment when they lived together in Moscow.

I recently saw Skype again during his most recent visit to Australia (February to March 2016). My family attended my sister and Skype's wedding. They recently got married in February 2016 in NSW. We don't have too many family members in Australia, so their attending was just attended by a few family members and friends. Their wedding was still a fantastic occasion for our family as we got to celebrate my sister's relationship with a man that she truly loves.

I can see that they do truly care for and love each other. They have made great efforts to stay in constant contact after my sister moved to Australia.
