Taming Your New Refrigerator is best read before you buy the refrigerator. It is meant to be an aid to anyone who is going to buy a new refrigerator or who has questions about one just purchased. It contains suggestions about what to look for as well as what to avoid when buying a refrigerator. People who would find this book helpful include people buying a new refrigerator, people remodeling a kitchen, landlords, home economics teachers, and perhaps realtors. Chapter topics include buying a refrigerator, making sure house is suitable and handling no cool situations. The book can help you avoid mistakes I see every day as a refrigerator repair technician. It is the result of years of experience repairing and seeing the same mistakes in installation, purchasing, and care day after day. Many of these mistakes result in service calls which cost you the consumer directly or indirectly. My belief is that over the life of the refrigerator you will save a lot more than the cost of this book if you use the information it contains. *Side by Side Automatic Refrigerator Service Instructions and Parts Catalog* Amana Refrigeration, inc, 1974 *Coldspot and Kenmore Refrigerators Service Manual* Sears, Roebuck and Company, 1981 **Bottom Mount Refrigerator Freezer Service Instructions and Parts Catalog** Amana Refrigeration, inc, 1975 **Norge Master Domestic Refrigerator Service Manual** Norge Appliance Service Dept, 1952*
