Sheridan and Thomas J. Lalka provide an updated guide for the novice and professional alike. The chapters are crafted to provide essential information to guide the job seeker from entrance into the profession through career development, occupational refocus, professional options to retirement preparation. Taking into consideration the effects of the pandemic, current social unrest, and recent tragedies, the authors examine how the new normal will bring change and opportunities throughout criminal justice careers. With an emphasis on planning personal development and preparation, this book outlines career paths that can provide rewards for satisfaction during and after careers. On top of invaluable information on a variety of specific careers, this book also includes sixteen appendices that cover successful job hunting, internships, a guide to interview questions, a document portfolio checklist, paying for college, and profiles of 18 professionals in the criminal justice field from a parole officer to a correctional architect. Social Work Practice in the Criminal Justice System George Patterson, 2019-12-06 *Social Work Practice in the Criminal Justice System* presents an overview of the criminal justice system for social workers, exploring the networks and institutions which comprise it. Integrating social work ethics and a commitment to social justice, this textbook explores social work practice roles to address social problems within the criminal justice system and promotes the development of knowledge, skills, and critical reflection in this increasingly important area of practice. In addition to covering the four key areas for social work practice: law enforcement, courts, corrections, and legislation, it covers police social work and forensic social work. This second edition has been updated to include the opioid crisis and opioid courts. Separate chapters describe special populations and contemporary issues in the criminal justice system. Expanded criminal justice perspectives and theoretical frameworks. Examining the challenges and opportunities of social work practice in the criminal justice system, this is the ideal text for social work instructors, students, and practitioners working with or within the criminal justice system.
