- Would be secured by the asset (van) and Nina would probably have to make a down-payment of around 20%.

Leasing

- Agreed payment over set period, usually two to five years.
- Van would not be owned by Nina.
- At end of period van is given back to leasing company.
- Down payment probably limited to monthly payment up front or none at all.

Comparison

- Payments would probably be higher on bank loan.
- At end of period Nina would own van but not with leasing.
- Leasing does not usually require an initial down-payment whereas a bank loan usually does.

The volume includes work from various archaeological specialties including ceramics, small finds, seal impressions, mortuary practice, social identity, and zooarchaeology. Several contributors provide broader overviews of sites, architecture, and landscape features. Chronologically, this book spans the 5th millennium BCE through the Iron Age in the Near East. The breadth of the contributions to this book speak to the lasting and far-reaching impact Zettler has had on the field. Archaeology from Every Angle does what it says and brings together disparate topics and scholars to form a volume in honor of an archaeologist with a long and storied career.
