Obeying My Boss Bareback Billionaire Erotica:

Just Following Orders: Disciplined by my Billionaire Bosses Sage Reamen, 2014-08-31 Heather Jennings has been a bad girl It s not enough that she s been fantasizing about her domineering powerful boss stealing glances and dropping hints behind her boyfriend s back Now she s gone and upset the boss himself and the only thing left to do is submit herself to his particular brand of punishment As things escalate Heather finds herself caring less and less about her boyfriend as she puts herself completely at the mercy of the man just the way she likes it He reached down and unbuckled his belt I was so shocked I couldn t speak only sink back against the chair My eyes were wide my mouth hung slightly open and my heart was pounding in my chest like it would burst through at any moment That file he hissed as he slid the black leather from the loops of his pants was probably the most important piece of business we ve had all month It s going to cost the company hundreds of hours to re create it He took both ends of the belt in his right hand the long black loop hanging down I I I wanted to apologize To say that it was a simple mistake and it wouldn t happen again The words wouldn t come My thighs clenched My breath caught in my throat Part of me was terrified dizzy with the idea that my boss would take this kind of action that he would be so arrogant as to presume he could act this way But another part of me wanted to moan aloud He always knew me knew me like the back of his hand He could get under my skin with a simple word leave me speechless with a subtle expression He liked it that way I could tell liked it more than was professionally appropriate And he knew that I did too This is what I d always wanted from a boss I d never told anyone about it never dared act on my feelings But this is exactly what I would fantasize about at night Or even more and more lately while I was still at the office catching glimpses of my boss out of the corner of my eye or trying against all odds to keep up with his stern sometimes harsh commands Those times when my boyfriend couldn t get me off this is what I would envision to push me over the edge And now that it was actually happening I was helpless to resist the good little assistant about to get a sharp reprimand from her disappointed boss **Billionaire**
