

OCR B-F334-Test bank

This PowerPoint contains all questions matched with their answers for OCR B Chemistry Unit F334 from January 2010 to January 2013. It also includes the specimen paper.

How to search for a question

1. Identify the specification point you want to find from the **OCR B-F334-Specification points** document.
2. Click **Find** in the tool bar.
3. Enter the code for the specification point and cycle through the different questions.
4. You can search for individual specification points or all the questions in that group. For example, searching for TL3ii will give you the questions on using colorimetry to measure the rate of reaction. Searching for TL3 will give you questions for all experimental methods of measuring the rate of reaction.
5. Copy and paste the question where you want it.
6. The questions are cut up into individual sections so you can combine different parts of the question to suit you.
