Eilean Donan Castle Cecily Shakespeare,Jonathan Clark,Justin Garner-Lahire,Richard Oram,Nicola Toop,2023-11-15 Now hard to believe Eilean Donan Castle was once one of the largest castles in the west Highlands known to have featured seven towers the remains of which lie buried on the island This book provides a refreshed view of the lost medieval guise of the castle of its 13th century origins and form and of who was responsible for building it allowing the castle to be positioned accurately in the complex dynamics of powerholding and display of the earls of Ross and associated militarized kindreds of the west Highlands during six centuries of change up to the castle s destruction in 1719 A new history and the details of the below ground archaeology allow us to see the lost medieval castle in our mind s eye 500 years after it vanished Focusing on the huge amount of

archaeological material unearthed during the campaign shows the castle hosted master craftspeople including goldsmiths shipwrights and hereditary swordsmiths Exquisite personal items decorative mail armor and weapons musical instruments gaming pieces imported pottery and animal bones bring the castle and its inhabitants back to life *The Myth of St.Patrick & Christianity in Ireland* George Richards,2010-12-08 It has been the belief of the Irish people that St Patrick was the missionary that brought Christianity to Ireland however this may have been the case From ancient writings it would appear that Christianity was well established in Ireland hundreds of years before the purported arrival of St Patrick and it is probable that St Patrick is another instance of church propaganda to influence the minds of the people A Bibliography of Modern Arthuriana (1500-2000) Ann F. Patrizi,2023-12-28 After staying in Milan for his apprenticeship Michelangelo da Caravaggio arrived in Rome in 1592 There he started to paint with both realism and psychological analysis of the sitters Caravaggio was as temperamental in his painting as in his wild life As he also responded to prestigious Church commissions his dramatic style and his realism were seen as unacceptable Chiaroscuro had existed well before he came on the scene but it was Caravaggio who made the technique definitive darkening the shadows and transfixing the subject in a blinding shaft of light His influence was immense firstly through those who were more or less directly his disciples Famous during his lifetime Caravaggio had a great influence upon Baroque art The Genoese and Neapolitan Schools derived lessons from him and the great movement of Spanish painting in the seventeenth century was connected with these schools In the following generations the best endowed painters oscillated between the lessons of Caravaggio and the Carracci National Days D. McCrone,G.
