Financial Executive, 2014 *Self-Initiated Expatriates in Context* Maike Andresen, Chris Brewster, Vesa Suutari, 2020-10-01 This edited volume builds on the previously published Self Initiated Expatriation Individual Organizational and National Perspectives which served to give in depth insights into the concept and the processes of self initiated expatriation and presented different groups undertaking self initiated foreign career moves While more than a hundred articles on self initiated expatriation SIE have been published in the meanwhile an examination of the research questions and samples of SIEs in published SIE research shows that the role of context and its impact on SIEs career related decisions and behaviors has not been explored sufficiently This raises the question in how far existing research results are comparable The aim of this follow up volume is to deepen the understanding of SIEs careers focusing on the contextual influences of space time and institutions on the heterogeneous SIE population More specifically the editors aim to shed light on spatial conditions in terms of the home and host country conditions on the self initiated expatriation experience and examine developments over time in terms of temporality of conditions and SIEs life course Moreover the influence of the institutional context in terms of occupational organisational and societal specificities will be analysed All chapters are based

on strong theoretical foundations that serve to conceptualise context and are written by both established and emerging global academics and researchers Self Initiated Expatriates in Context contributes to conceptual clarity in the burgeoning field of SIE research by drawing attention to the importance of exploring context and thus boundary conditions to careers It offers specific guidance for an improvement of future SIE related research in order to enhance the validity of future empirical studies as well as for an improvement of managerial practice It will be of interest to researchers academics practitioners and students in the fields of international business human resource management organisational studies and strategic management Chapters 1 4 and 12 of this book are freely available as downloadable Open Access PDFs at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license
