Sales And Leases A Problem Solving Approach American Casebooks:

Sales and Leases Linda J. Rusch, Stephen L. Sepinuck, 2009-01-01 *Sales and Leases: a Problem-Solving Approach* STEPHEN L. SEPINUCK, 2020-04-08 Description Coming Soon **Sales and Leases** STEPHEN L. SEPINUCK, 2020-04-16 The third edition of a book on sales and leases of goods by one of the country's leading experts in commercial law. The book uses a problem-based approach to help students master the applicable legal rules, understand how the law applies to both simple and complex commercial transactions, and learn how to use the law in planning transactions and drafting agreements. The book consists primarily of text and 132 carefully sequenced problems. Many of the problems ask students to apply the law to a set of facts. Others do the reverse, asking students to identify a set of facts to which a specific rule applies. Several prompt students to think about the policies underlying the law or how the law affects commercial behavior. Finally, approximately a dozen problems in keeping with a growing trend in legal education task students with drafting a contract term or other document. **Sales and Leases of Goods** Stephen Sepinuck, 2024-12-20 Description Coming Soon [Sales and Leases](#) John Edward Murray, Harry M. Flechtner, 1994 *Bowker's Law Books and Serials in Print*, 1998 **Subject Guide to Books in Print**, 1997 **Commercial Contracting** Francis J. Mootz, David Frisch, Peter A. Alces, 2008 This innovative book includes cases, problems, note materials, and questions as well as excerpts from law review articles and other secondary sources that explain the fit among the contemporary sources of Commercial Contracting Law. While the authors emphasize Uniform Commercial Code Articles 1 as revised and 2 as enacted, but there are liberal references to Article 2A, UETA, E-Sign, and the CISG to provide a sophisticated yet accessible presentation of the legal rules and principles that govern contemporary sales, leasing, and computer information transactions. Contemporary commercial contracting presents considerable pedagogical challenges. The authors provide a text that clearly explains the basic commercial context for the rule in question and then provide materials that enable students to delve into more complex issues. Commercial Contracting: Sales, Leases, and Computer Information includes the cases that have continued to define commercial law for years, as well as the most recent decisions that have changed the way we think about commercial contracting. The cases are complemented by extensive problems permitting the instructor to emphasize either the case or problem approach. The authors have also integrated text and excerpts from treatises and law review articles that both put the issues in transactional context and test the limits of commercial codification. A comprehensive Teacher's Manual is available, and the authors also will provide sample syllabi, teaching notes, and PowerPoint slides that they have found work well in teaching the course. A Teacher's Manual is available to professors. This book also is available in a three-hole punched alternative loose-leaf version printed on 8 1/2 x 11 inch paper with wider margins and with the same pagination as the hardbound book. *Forthcoming Books* Rose Arny, 2001-06 **American Book Publishing Record Cumulative, 1876-1949: Non-Dewey decimal classified titles** R.R. Bowker Company. Department of Bibliography, 1980 **American Book Publishing Record**, 2005 **Harvard Law**

School Catalog Harvard Law School,1980 *The Vestal and the Fasces* Jeanne Lorraine Schroeder,2023-11-15 In this feminist exploration of the erotics of the marketplace Hegel s notion of property and Lacan s idea of the phallus serve parallel functions in creating the subjectivity necessary for self actualization Subjectivity requires intersubjective relationships mediated through a regime of possessing enjoying and exchanging an object of desire For Hegel this regime is property for Lacan it is sexuality symbolized by the Phallus which we conflate with the male organ and the female body Property law in Jeanne Schroeder s account is implicitly figured by similar anatomical metaphors for that which men wish to possess and that which women try to be and enjoy This is reflected in imagery taken from ancient Rome the axe and bundle of sticks known as the Fasces and the virgin priestess called the Vestal Schroeder traces the persistence of phallic metaphors in modern jurisprudence Rejecting the dominant schools of legal feminism she reconceptualizes property the legal relationship as well as its not necessarily material object as a necessary moment in the human struggle for love and recognition The Feminine for Schroeder is the radical negativity at the heart of both Lacan s split subject and Hegel s concept of freedom Feminine emancipation and private property are therefore equally necessary conditions for the actualization of the free individual and the just society Feminist scholars social theorists political scientists philosophers and lawyers will find in Schroeder s analysis scintillating new perspectives on property theory and the feminine within the market and the law In this feminist exploration of the erotics of the marketplace Hegel s notion of property and Lacan s idea of the phallus serve parallel functions in creating the subjectivity necessary for self actualization Subjectivity requires intersubjective relati Business Week ,1930 Media Management Ardyth Broadrick Sohn,1999 Using case studies of media management this volume provides exercises including practice in role playing leadership communication and decision making with consequences Students are encouraged to distinguish between arts activities actors meanings relationships and settings of importance
