Proctor, 2009-09-23 This volume examines scouting the largest voluntary movement for girls in its first century of existence seeking to understand how the organization has lasted and how it has changed Scouting for Girls A Century of Girl Guides and Girl Scouts is the first global history of Girl Scouting and Guiding that addresses the successes and pitfalls of the 100 year old organization from its beginning in Great Britain through its international expansion Since 1910 millions of girls worldwide have been exposed to Scouting While much has changed since 1910 the core values of Scouting Guiding are still recognizable in today's programs namely the empowerment of girls through adventure character building home skills outdoor pursuits and active learning But has Scouting's very willingness to change with the times undermined its original ideologies and fundamentally changed the movement As Girl Scouts and Guides move into their second century their challenge will be to remain true to their founding values while remaking themselves on a regular basis Given the changing nature of today's societies and the serious problems girls face on a daily basis Girl Guides and Girl Scouts will need to be true to their motto Be Prepared in order to march forward successfully into the future Utopian England Dennis Hardy, 2012-12-06 England in the early part of the twentieth century was rich in utopian ventures diverse and intriguing in their scope and aims Two world wars an economic depression and the emergence of fascist states in Europe were all a spur to idealists to seek new limits to escape from the here and now and to create sanctuaries for new and better lives Dennis Hardy explores this fascinating history of utopian ideals the lives of those who pursued them and the utopian communities they created Some communities were fired by a long tradition of land movements others by thoughts of more humane ways of

building towns In turn there were experiments devoted to the arts to the promotion of religious doctrine and to a variety of political causes And some were just places of the imagination Utopian England is about just one episode in the perennial search for perfection but what is revealed has lessons that extend well beyond a particular time and place So long as there are failings in society so long as rationality is not enough there will continue to be a place for thinking the impossible for going in search of utopia **Ending Human Trafficking** Shayne Moore,Sandra Morgan,Kimberly McOwen Yim,2022-04-05

Human trafficking is one of the most pressing social justice issues of our time Though renewed interest in this issue among Christians is a wonderful thing misinformed and misguided efforts can do more harm than good Written by seasoned leaders and grounded in theology and up to date data this accessible and compelling handbook will educate churches and organizations for truly effective work *Ethical Fundraising* Janice Gow Pettey,2008-06-30 *Ethical Fundraising A Guide for Nonprofit Boards and Fundraisers* is a practical helpful and ultimately inspiring resource for nonprofits large and small young and mature local and international The insightful guidance and case studies found within these pages will help you understand how to address specific ethical issues within your nonprofit and leave plenty of food for thought and discussion

The Nature and Mission of the Church Jean-Marc Flückiger, This is an academic work of the highest quality, but Jean-Marc Flückiger presents it in a way that makes it very accessible far beyond academic circles. It is a testament to his sharp intellect, but even more to his love of God, commitment to The Salvation Army, and heartfelt dedication to the Church's mission in the world. Henrik Andersen, Territorial Leader of The Salvation Army, Switzerland, Austria, Hungary. Jean-Marc Flückiger's book is a welcome reflection on the missionary impulse of Christian churches. I found it particularly helpful to consider the interplay of the three main ingredients of mission: namely, worship of God, community life, and service to the world. Christophe Chalamet, Professor of Systematic Theology, University of Geneva.
