Language and Intercultural Communication is a lively and accessible introduction for undergraduates who are new to the study of intercultural communication with a particular emphasis on the language dimension. Incorporating real life examples from around the world and drawing on current research, this text argues against cultural stereotyping and instead provides students with a skill building framework to enhance understanding of the complexities of language and intercultural communication in diverse international settings. Readers will learn to become more attuned to power relations and the ways in which sociopolitical forces can influence language choice, attitudes and the intercultural communication process. Features new to this edition include revised in-text discussion questions, exercises and examples that aim to engage students and provide a more interactive experience; new material that takes account of key social, cultural and political events such as the refugee crisis, Brexit and the rise of populism in many parts of the world; updated theoretical constructs that reflect recent trends in the area such as criticality in intercultural communication; an updated companion website featuring suggested readings, links to media resources and real world intercultural scenarios for students as well as additional in-depth instructor resources featuring test materials, PowerPoints, key terms, extended chapter outlines and sample assignments and syllabi; refreshed references and glossary to enhance understanding of key terms and concepts. This is the essential text for undergraduate students who are new to the field of intercultural communication.

Culturally Mindful Communication Masami Nishishiba, 2017-07-06 Drawing on research in intercultural communication, psychology and public and nonprofit administration, Culturally Mindful Communication provides strategies for students and practitioners of public service to improve their intercultural communication skills. Topics include expectations for public and nonprofit professionals in a multicultural society; frameworks for assessing cultural differences and similarities; verbal and nonverbal communication in the intercultural context; barriers for effective intercultural communication; key considerations for effective multicultural teams; approaches for effective multicultural community engagement; mindful leadership.

The Global Intercultural Communication Reader Molefi Kete Asante, Yoshitaka Miike, Jing Yin, 2013-06-26 The Global Intercultural Communication Reader is the first anthology to take a distinctly non-Eurocentric approach to the study of culture and communication. In this expanded second edition, editors Molefi Kete Asante, Yoshitaka Miike and Jing Yin bring together thirty-two essential readings for students of cross-cultural, intercultural and international communication. This stand-out collection aims to broaden and deepen the scope of the field by placing an emphasis on diversity, including work from authors across the globe examining the processes and politics of intercultural communication from critical, historical and indigenous perspectives. The collection covers a wide range of topics: the emergence and evolution of the field; issues and challenges in cross-cultural and intercultural inquiry; cultural wisdom and communication practices in context; identity and intercultural competence in a multicultural society; the effects of globalization and ethical considerations. Many readings first appeared outside the mainstream Western academy and offer diverse theoretical lenses on culture and communication practices in the world.

community Organized into five themed sections for easy classroom use The Global Intercultural Communication Reader includes a detailed bibliography that will be a crucial resource for today's students of intercultural communication

Management across Cultures Richard M. Steers, Carlos J. Sanchez-Runde, Luciara Nardon, 2010-02-04 Management practices and processes frequently differ across national and regional boundaries What may be acceptable managerial behaviour in one culture may be counterproductive or even unacceptable in another As managers increasingly find themselves working across cultures the need to understand these differences has become increasingly important This book examines why these differences exist and how global managers can develop strategies and tactics to deal with them The text draws on recent research in anthropology psychology and management to explain the cultural and psychological underpinnings that shape managerial attitudes and behaviours whilst introducing a learning model to guide in the intellectual and practical development of managers seeking enhanced global expertise It offers user friendly conceptual models to guide understanding and exploration of topics and summarizes and integrates the lessons learned in each chapter in applications oriented Manager's Notebooks A companion website featuring comprehensive chapter by chapter PPT slides is available at www.cambridge.org/management_across_cultures
