

Sample Scholarship Essay

In the media, working class immigrant women are often depicted uneducated, conniving and inarticulate. My life, however, as an SFSU graduate student and as a working class immigrant Pilipina American who has supported herself since age 18—speak of a different experience. Watching both my parents slave over 12 hour working days, seven days a week in menial labor jobs just to make rent for a one bedroom apartment was my reality as a child. My parents' work ethic and daily struggles continue to serve as an inspiration for me to strive for a relevant and meaningful education and profession—and to be the first in my family to receive a graduate degree.

Thanks to my parents' encouragement, I was able to graduate cum laude at UCLA with a Psychology and Asian American Studies double major and an Education minor. In my four years at UCLA, I was a five time recipient of the Provost's Honors List. My most rewarding experiences in college, however, were outside of the classroom walls. As a graduating senior I was also recognized with the UCLA Chancellor Service Award, the Pilipino Graduation Enlightenment Award and A. Magazine's Top 10 Student Leader in the Nation for initiating my own community service tutorial project in South Central, Los Angeles – a poor, urban and underserved community. The project was called Project S.E.T. (South Central Evening Tutorial) and we mentored and tutored the children of immigrant parents who were attending evening adult school four nights a week.
