

PATROL GUIDE

Section: Complaints

Procedure No: 207-34

COMPLAINTS INVOLVING IDENTITY THEFT

DATE ISSUED:
08/01/13

DATE EFFECTIVE:
08/01/13

REVISION NUMBER:

PAGE:
1 of 3

PURPOSE

To outline the duties and responsibilities of a member of the service when made aware of a complaint involving Identity Theft.

DEFINITION

A person is guilty of Identity Theft when he or she knowingly and with intent to defraud assumes the identity of another person by presenting himself or herself as that other person, or by acting as that other person or by using personal identifying information of that other person and thereby: obtains goods, money, property or services or uses credit in the name of such other person or causes financial loss to such person or to another person (NYS Penal Law 190.77-190.80).

SCOPE

Complaints involving Identity Theft can be complex in nature stemming from a myriad of variables and permutations. The member of the service encountering such a complaint must realize the possibility that such a complaint can potentially encompass numerous crimes. As a result, the **Crime Complaint Reporting System Reference Guide (Rev. 6/11)** will be used to classify Identity Theft related crimes. Significant clarifications and changes have been made to the **Crime Complaint Reporting System Reference Guide** to instruct the member of the service in the proper classification of Identity Theft related crimes. It must be noted that the "Seven Major Felony Rule" *P.G. 207-01*, "Complaint Reporting System" will still be applicable.

PROCEDURE

When a member of the service is made aware of a complaint involving Identity Theft:

MEMBER OF THE SERVICE

1. Determine whether the complainant is a victim of Identity Theft.
2. Ascertain where the complainant/victim resides (i.e., inside or outside NYC).
3. Instruct and assist the complainant/victim in preparing pages 1 and 2 of the **COMPLAINANT'S REPORT OF LOST OR STOLEN PROPERTY/IDENTITY THEFT (PD313-1516)** if the complaint meets the criteria outlined in the **Crime Complaint Reporting System Reference Guide**.
 - a. Ensure complainant signs **BOTH** waivers on pages 1 and 2.
 - b. If necessary, assist complainant in contacting credit card issuer for required information (e.g. address where card was sent etc.)

NOTE

*A refusal by the complainant/victim to prepare or sign the **COMPLAINANT'S REPORT OF LOST OR STOLEN PROPERTY/IDENTITY THEFT** form does not preclude the requirement to prepare a **COMPLAINT REPORT**. Any refusal by the complainant to prepare or sign a **COMPLAINANT'S REPORT OF LOST OR STOLEN PROPERTY/IDENTITY THEFT** form will be noted in the details section of the **COMPLAINT REPORT**.*

Nypd Complaint Report Guide:

Official (ISC)2® Guide to the CCFP CBK Peter Stephenson, 2014-07-24 Cyber forensic knowledge requirements have expanded and evolved just as fast as the nature of digital information has requiring cyber forensics professionals to understand far more than just hard drive intrusion analysis The Certified Cyber Forensics Professional CCFPSM designation ensures that certification holders possess the necessary breadth depth of knowledge and analytical skills needed to address modern cyber forensics challenges Official ISC 2 Guide to the CCFP CBK supplies an authoritative review of the key concepts and requirements of the Certified Cyber Forensics Professional CCFP Common Body of Knowledge CBK Encompassing all of the knowledge elements needed to demonstrate competency in cyber forensics it covers the six domains Legal and Ethical Principles Investigations Forensic Science Digital Forensics Application Forensics and Hybrid and Emerging Technologies Compiled by leading digital forensics experts from around the world the book provides the practical understanding in forensics techniques and procedures standards of practice and legal and ethical principles required to ensure accurate complete and reliable digital evidence that is admissible in a court of law This official guide supplies a global perspective of key topics within the cyber forensics field including chain of custody evidence analysis network forensics and cloud forensics It also explains how to apply forensics techniques to other information security disciplines such as e discovery malware analysis or incident response Utilize this book as your fundamental study tool for achieving the CCFP certification the first time around Beyond that it will serve as a reliable resource for cyber forensics knowledge throughout your career **The Crime Numbers Game** John A. Eterno, Eli B. Silverman, 2017-07-27 In the mid 1990s the NYPD created a performance management strategy known as Compstat It consisted of computerized data crime analysis and advanced crime mapping coupled with middle management accountability and crime strategy meetings with high ranking decision makers While initially credited with a dramatic reduction in crime questions quic Evaluation of the New York City Police Department Firearm Training and Firearm-Discharge Review Process Bernard D. Rostker, Lawrence M. Hanser, William M. Hix, Carl Jensen, Andrew R. Morral, 2008-06-09 In January 2007 New York City Police Commissioner Raymond W Kelly asked the RAND Corporation to examine the quality and completeness of the New York City Police Department s firearm training program and identify potential improvements in it and in the police department s firearm discharge review process This monograph reports the observations findings and recommendations of that study Family Crimes Against the Elderly Patricia J. Brownell, 2014-01-14 First Published in 1999 Family Crimes Against the Elderly A Study of Elder Abuse and the New York Police Department represents an important contribution to the available knowledge on elder abuse as a criminal justice issue While most studies of elder abuse to date have examined this social problem from a health mental health or social service perspective few have focused on it from the perspective of law enforcement *Police Practices and Civil Rights in New York City* United States Commission on Civil Rights, 2000 **Police Practices and Civil Rights in New York City** Mary Frances

Berry,2000-12 On May 26 1999 the U S Commission on Civil Rights conducted a hearing in New York City to examine current police practices police community relations civilian complaints *Policing within the Law* John Eterno,2003-07-30 At a time when police abuses and errors make the headlines it is important to understand just what goes into the decisions that police make when they are confronted with various crime scenarios in the line of duty Required to respond within the law many officers are able to respond in a legal manner to crime situations in which court decisions are written clearly and with easily applied guidelines But what happens when those decisions and laws are written in a way that invites interpretation and varies from situation to situation Based on a case study of New York City police officers this important volume analyzes how officers contend with often ambiguous laws in the face of specific crime scenarios In addition the author explores other influences on police decision making including officer characteristics and attitudes and makes policy recommendations in an effort to encourage the reinforcement of legal guidelines so that the rights of individuals are appropriately balanced with the duty to control crime Based on a survey of nearly 1 300 officers responses to specially designed hypothetical crime scenarios this study illustrates how police officers are likely to react with regard to the law in these situations While officers tend to act legally where the laws are clear less clearly articulated laws leave the police with a variety of different options for action in ambiguous situations For instance in weapons scenarios the survey showed that officers would often take advantage of ambiguity in the law with regard to how they may respond In drug scenarios officers will increase their tendency to do a search if the situation is slightly ambiguous though they will decrease their search responses when the situation appears to be highly ambiguous Eterno carefully examines the various responses and the laws that are meant to guide what police may or may not do in given situations concluding that better laws and bright line rules will help to check and balance the need to fight crime aggressively while preventing the abuse of authority that may arise in questionable circumstances *The New York City Police Department's Stop & Frisk Practices* Eliot Spitzer,1999 Canvasses 3 different perspectives on stop and frisk S F police activity in NY City Provides the legal definition of and constitutional parameters for S F encounters Considers S F from the perspective of both the N Y City Police Dept NYPD and minority communities that believe they have been most affected by the use of S F S F is also examined as part of the NYPD s training regimen and from the point of view of officers who have used the technique Provides an assessment of the S F tactic from the perspective of persons who have been stopped and commentary from persons who have observed the tactic s secondary effects Comprehensive *Cop Cop* Mac Muir,Greg Finch,2025-04-29 In the vein of *Evicted* and *Locking Up Our Own* comes a seminal work that delves deep behind the Thin Blue Line of policing and police misconduct to demonstrate what really goes on when you try to hold the police accountable How often do you think about the police Who do you think of Columbo Chief Wiggum Derek Chauvin Do you think of just one officer or do you think of the police as an institution From movies and television to everyday life a police presence looms over most conflict Today we know this to be most true for Black Americans for whom the suspense of policing

is constant And too often the argument over dinner devolves into a 9 1 1 call blue and red lights and possibly a door rammed open Some of us are watched by the police and others are chased But if there was a defining feature of the 2020 protests over the murder of George Floyd it was the collective confusion about how we got to this point Policing it seemed had become as ahistorical as it was brutal Despite fragmented coverage about police unions militarization and systemic racism America remained hazy on the details of what cops had been doing all along There is a Blue Wall and ways to get behind it The authors of this book Anon 1 and Anon 2 are senior investigators of a government agency tasked with policing the police in New York City They re our eyes on the inside and this book will take us into their world COP COP follows the web of real cases that the authors investigated over several years inside the Civilian Complaint Review Board As they investigate everything from offensive language and chokeholds to shootings the larger investigation builds into their argument for six simple solutions to fix American policing Readers will come away with a new vantage point as well as the tools of an investigator By combining their unique perspectives as police misconduct investigators with a synthesized history of policing this book offers newfound insights into what policing really looks like what the problems are and what practical steps are necessary to create a criminal justice system that is truly just **BNA's Employment Discrimination Report** ,2003-07

Police Corruption in the NYPD Steven V. Gilbert,2017-07-27 Police Corruption in the NYPD From Knapp to Mollen explores how the New York Police Department experienced two major investigations within a quarter of a century It compares the states of corruption within the NYPD during the Knapp and Mollen commissions examining why corruption continued and why the revealed ethical breaches became more serious **The Future of Hacking** Laura S. Scherling,2025-07-10 In a world where cyber threats evolve daily the line between hacker and hero is thinner than you think Hacking is often associated with cybercriminals lurking in the shadows stealing data and disrupting digital systems But the reality of hacking is far more complex and far more relevant to our everyday lives than most people realize The Future of Hacking explores the evolving landscape of cybersecurity ethical hacking and digital defense revealing how hacking has transformed from an underground practice to a mainstream issue that affects governments businesses and individuals alike Drawing on years of research and over 30 in depth interviews with cybersecurity professionals from around the world including experts from San Francisco Seoul Cape Town Paris and Bengaluru this book offers a rare behind the scenes look at the people working to protect our digital future From ethical hackers uncovering security vulnerabilities to policymakers shaping the rules of the digital world The Future of Hacking sheds light on the critical role of cybersecurity in today s interconnected society This book delves into key issues such as cyber awareness internet freedom and the policies that shape how we navigate an increasingly digital world It also highlights the experiences of those impacted by cybercrime both victims and defenders offering insight into the real world consequences of data breaches ransomware attacks and digital surveillance Designed for both tech savvy readers and those new to the subject The Future of Hacking makes complex

cybersecurity concepts accessible while maintaining the depth of expert knowledge As cyber threats become more sophisticated and pervasive understanding the evolving role of hacking is no longer optional it s essential This book will challenge what you think you know about hackers and leave you better prepared for the digital challenges of tomorrow

Document Retrieval Index ,1974 Encyclopedia of Law Enforcement Larry E Sullivan,2005 Vols 1 and 2 cover U S law enforcement Vol 3 contains articles on individual foreign nations together with topical articles on international law enforcement Springer Handbook of Geographic Information Wolfgang Kresse,David Danko,2022-06-24 This handbook provides an exhaustive one stop reference and a state of the art description of geographic information and its use This new substantially updated edition presents a complete and rigorous overview of the fundamentals methods and applications of the multidisciplinary field of geographic information systems Designed to be a useful and readable desk reference book but also prepared in various electronic formats this title allows fast yet comprehensive review and easy retrieval of essential reliable key information The Springer Handbook of Geographic Information is divided into three parts Part A Basics and Computer Science provides an overview on the fundamentals including descriptions of databases and encoding of geographic information It also covers the underlying mathematical and statistics methods and modeling A new chapter exemplifies the emerging use and analysis of big data in a geographic context Part B offers rigorous descriptions of gathering processing and coding of geographic information in a standardized way to allow interoperable use in a variety of systems from traditional methods such as geodesy and surveying to state of the art remote sensing and photogrammetry from cartography to geospatial web services Discussions on geosemantic interoperability and security of open distributed geospatial information systems complete the comprehensive coverage The final part describes a wide array of applications in science industry and society at large such as agriculture defense transportation energy and utilities health and human services The part is enhanced by new chapters on smart cities and building information modeling as well as a complete overview of the currently available open source geographic information systems Using standardized international terminology in accordance with ISO TC 211 and INSPIRE this handbook facilitates collaboration between different disciplines and is a must have for practitioners and new comers in industry and academia **Policing in America** Larry K. Gaines,Victor E. Kappeler,Zachary A. This book delves into Nypd Complaint Report Guide. Nypd Complaint Report Guide is a crucial topic that needs to be grasped by everyone, from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into Nypd Complaint Report Guide, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:

- Chapter 1: Introduction to Nypd Complaint Report Guide
- Chapter 2: Essential Elements of Nypd Complaint Report Guide
- Chapter 3: Nypd Complaint Report Guide in Everyday Life
- Chapter 4: Nypd Complaint Report Guide in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, this book will provide an overview of Nypd Complaint Report Guide. The first chapter will explore what Nypd Complaint Report Guide is, why Nypd Complaint Report Guide is vital, and how to effectively learn about Nypd Complaint Report Guide.

3. In chapter 2, this book will delve into the foundational concepts of Nypd Complaint Report Guide. This chapter will elucidate the essential principles that must be understood to grasp Nypd Complaint Report Guide in its entirety.

4. In chapter 3, this book will examine the practical applications of Nypd Complaint Report Guide in daily life. The third chapter will showcase real-world examples of how Nypd Complaint Report Guide can be effectively utilized in everyday scenarios.

5. In chapter 4, the author will scrutinize the relevance of Nypd Complaint Report Guide in specific contexts. This chapter will explore how Nypd Complaint Report Guide is applied in specialized fields, such as education, business, and technology.

6. In chapter 5, this book will draw a conclusion about Nypd Complaint Report Guide. The final chapter will summarize the key points that have been discussed throughout the book.

The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Nypd Complaint Report Guide.
