## VOTER GUIDE TUESDAY, MARCH 3RD 2020

C

YES!

### High-Quality Child Care, Education, and Health Care for Our Kids

- Expand pediatric emergency care, childcare and early childhood education services to Alameda County residents through half-cent sales tax.

Q

YES!

### Clean Up Parks & Waterways and Address Homelessness Crisis

- Help homeless individuals, including those living in or near parks, move into shelters and obtain housing and support services
- Remove trash and debris from city parks and recreation areas
- Increase restroom cleaning at parks and recreation centers
- Protect the water quality in Oakland's creeks, streams, Lake Merritt and the Estuary

R

YES!

### Eliminate Outdated Requirements for City Notices

- The city is required to publish public notices in the official city newspaper with a daily circulation over 25,000, but there is no longer any newspaper that fits the bill.
- This measure would get rid of that old requirement and give City Council the power to come up with a new, more effective way to publish public notices (e.g., online, multiple smaller news outlets).

S

YES!

### Let the City Spend More of the Funds from Already-Approved Taxes

- Increases the city's allowable limit of how much tax revenue it can spend, so that it can continue to spend money towards things that voters passed taxes to pay for.

13

YES!

### Fix and Modernize K-12 School and Higher Ed Buildings\*\*

- \$15 billion in bonds for school and college facilities in California, including \$9 billion for preschool and K-12 schools
- Improve health and safety conditions in school buildings, including earthquake/fire safety and removing lead from water
- Increase affordable student housing

\*\* Ballot measures are rarely perfect; we still believe that all students deserve to learn in a safe environment.

Leonard,1914 **California** David G. Lawrence,Jeff Cummins,2023-08-07 *California The Politics of Diversity* examines the diverse and hyperpluralistic nature of California particularly its people and the groups to which they belong In their accessible style Lawrence and Cummins bring an informed insightful perspective to the examination of the numerous pressures that make governing the state increasingly challenging Learning objectives and chapter conclusions offer students a roadmap to key ideas while study questions

encourage critical thinking Textboxes emphasize how California compares to the other states and highlight voices of prominent policymakers No other textbook on California politics offers as much coverage and in depth analysis of the state's political development and institutions that have shaped the Golden State into what it is today The eleventh edition has been revised to reflect the latest developments in California politics including Coverage of the first term of Governor Gavin Newsom's administration Analysis of the impact of the COVID pandemic on the state's politics and economy Discussion of the 2021 gubernatorial recall Updated analysis of the state's major policy areas including water housing transportation health care education crime immigration and climate change Changes in demographics and voter turnout in 2022 general election Updated and expanded pedagogy and art program Jeff Cummins has provided a revised instructor's manual test bank and new lecture slides These resources may be found online at the book's website <https://textbooks.rowman.com/california11e>

**Woman's Who's who of America**, 1914 *Texas Vs. California* Kenneth P. Miller, 2020 Texas and California are the leaders of Red and Blue America As the nation has polarized its most populous and economically powerful states have taken charge of the opposing camps These states now advance sharply contrasting political and policy agendas and view themselves as competitors for control of the nation's future Kenneth P Miller provides a detailed account of the rivalry's emergence present state and possible future First he explores why despite their many similarities the two states have become so deeply divided As he shows they experienced critical differences in their origins and in their later demographic economic cultural and political development Second he describes how Texas and California have constructed opposing comprehensive policy models one conservative the other progressive Miller highlights the states contrasting policies in five areas tax labor energy and environment poverty and social issues and also shows how Texas and California have led the red and blue state blocs in seeking to influence federal policy in these areas The book concludes by assessing two models strengths vulnerabilities and future prospects The rivalry between the two states will likely continue for the foreseeable future because California will surely stay blue and Texas will likely remain red The challenge for the two states and for the nation as a whole is to view the competition in a positive light and turn it to productive ends Exploring one of the primary rifts in American politics Texas vs California sheds light on virtually every aspect of the country's political system
