

Dear [Callback winner],

Congratulations!!! We are thrilled to invite you into Resonance! You had a great audition and callback, and we'd love to sing with you.

Because some of the other a cappella groups will not have callbacks until tomorrow, we understand that you may want to hear back from them before you make any decisions, so don't feel obligated to accept or decline any offer immediately. We would like to know your decision, however, by the end of [insert day here].

We hope you'll join us as a newbie!

Levi Schmidt
President of Resonance

Hi [Callback rushee],

It's been a few days since callbacks, so we'd really like to know your decision by today to wrap up this year's audition process. I know choosing a group can be tough, but I'd like to reiterate that we really enjoyed your audition a lot. During discussion for callbacks, we talked about how you would fit in the group as an ensemble background singer, as a potential soloist, and as a stage performer, and you were immediately at the top of our list. In addition, we talked about how you would fit personality-wise in the group. Keep in mind that choosing a group is like choosing a family because a cappella groups spend a lot of time together outside of rehearsals, such as at retreats, gigs, and general outings like dinners. We loved your personality and think you'd get along really well in our family. For these reasons, you were an obvious choice for us, and we hope you feel the same! Again, please let us know by today as we would like to wrap things up. Feel free to ask us any questions you may have.

-Stephen

Dear [Callback special reject],

Thank you again for coming to Resonance callbacks. Unfortunately, we cannot invite you into the group this term because we currently do not have enough open spaces for [your voice part]. Your performance, however, greatly impressed us; this is not merely a form letter sent out to everyone. We really hope that you will try out for us again! Thanks again for your interest.

Sincerely,
Stephen Lee
President of Resonance
