Corporate Governance - Effective Performance Evaluation of the Board Saleh Hussain, 2017-03-31 The book deals with practical issues relating to Board's Performance Evaluation supplemented by easy to use checklists as to how to undertake the evaluation. The book also covers the methodology of evaluating the work of board committees. The book talks about emerging practices in Corporate Governance. *Corporate Governance - Implementation Guide* Saleh Hussain, 2017-03-31 The book is a comprehensive guide for implementation of Corporate Governance Practices in any form of Companies. It is based on CG code of Bahrain and best practices of CG worldwide. Some of the important chapters talk about Board of Directors and Committees, Shareholders, Risk Management and Compliance issues. *Vocational Instructional Program Advisory Committee Resource Guide*, 1984. The Director's Handbook Institute of Directors, 2007. The Director's Handbook first published in 2005 filled a gap in the market by providing a practical guide to key issues facing board directors and senior business decision makers. Now with far reaching changes in directors' duties and other principles of company law, this new edition updates and explains the laws which affect the way every director does their job. It deals with all aspects of a company director's role, duties, responsibilities and liabilities within the context of the current law and good practice. Written by leading experts and fully supported by research findings, it also contains case studies named or unnamed from companies of varying size and sector. The Director's Handbook is the essential reference and source of advice for all new and existing directors as well as those who aspire to this position. **Authentic Governance** Hubert Rampersad, Ph.D., Saleh Hussain, MBA, 2014-01-16. Over the past years we have heard and read plenty about how executives should behave more responsibly in the light of corporate governance. Despite all these efforts, many implementations of corporate governance provide no protection from potentially catastrophic ethical failures. This book emphasizes the introduction of a new corporate governance blueprint for addressing these concerns in a more authentic, organic and holistic way. It is a roadmap toward a high performance ethical culture. By way of this innovative system, Dr Hubert Rampersad and Saleh Hussain, MBA, are launching a revolutionary concept that actively has human capital embedded in corporate governance in a manner that creates a stable basis for the personnel's trustworthiness, integrity and engagement and ethical corporate excellence. Featuring numerous case examples and practical tools and exercises, this book will help the reader learn to Develop, implement and cultivate authentic personal governance and corporate governance effectively. Create conditions for sustainable corporate governance. Increase their personal effectiveness. Develop their personal integrity effectively and become a better human being. Develop ethical personal leadership. Develop a highly engaged workforce based on high ethical standards. Create a high performance culture and enhance the competitiveness of their organization. Create conditions for an organizational climate marked by self guidance, creativity, passion and ethical behavior. Develop a culture in which personal integrity and business ethics is a way of life. *Personnel Procurement, Army Nurse Corps Recruiting Handbook*, 1983.

Chern on Dispute Boards Cyril Chern, 2008-04-30 Dispute boards were first introduced almost 20 years ago. Since then close to 100 billion US dollars worldwide has been spent on construction projects that have used dispute boards. Of these 98% were constructed without any court battles and of the remaining 2% the dispute board decisions were upheld by either arbitration and or the court a truly impressive record. Yet very little is known about what dispute boards are and how they operate. This book provides the knowledge necessary for those actively involved in dispute board work as well as for those who need to learn the process. Important features of the book include analysis of the differences between dispute adjudication boards, dispute resolution boards and combined dispute boards in depth discussion of both the existing and historical international case law on dispute boards including its history under the British common law, European civil law and Muslim Shariah law, analysis of the differences between the various major standard forms of dispute board rules: FIDIC International Chamber of Commerce and DB Federation along with sample wording to add to or modify these forms as needed, analysis of how referrals are made to dispute boards and sample forms, an in depth discussion of the ethical requirements relating to dispute board members, comparison of board selection techniques with guidelines for implementation and recommendations for the parties, sample forms for use in establishing a dispute board, discussion of site visits how they should be conducted and sample forms, general forms for use in operating a dispute board, form agendas, form reports and their use, how to use a dispute board as a sounding board for grievances, in depth discussion of how to write a decision or recommendation with examples of actual dispute board decisions and recommendations, disclosure forms, questionnaires for potential board members and comparison of board member agreements and sample forms, a discussion of how to effectively use witnesses and the preparation and presentation of witness statements in dispute board hearings, forms of notice and procedural rules governing the operation of dispute boards, international case studies with claims responses and decisions, analysis of situations requiring the removal of dispute board members and form agreements for their removal, discussion of the use of dispute boards in areas other than construction.
