The Norton Introduction to Literature, Shorter 11th Ed Kelly J. Mays, 2013 Charlotte Perkins Gilman's "The Yellow Wall-paper" and the History of Its Publication and Reception Julie Bates Dock, 1998-02-27 Since its publication in 1892 Charlotte Perkins Gilman's *The Yellow Wall paper* has always been recognized as a powerful statement about the victimization of a woman whose neurasthenic condition is completely misdiagnosed mistreated and misunderstood leaving her to face insanity alone as a prisoner in her own bedroom Never before however has the story itself been portrayed as victimized In this first critical edition of Gilman's *The Yellow Wall paper* accompanied by contemporary reviews and previously unpublished letters Julie Bates Dock examines the various myth frames that have been used to legitimize Gilman's story The editor discusses how modern feminist critics readings and misreadings of the available documents uphold a set of legends that originated with Gilman herself and that promulgate an almost saintly view of the pioneering feminist author The documents made available in the collection enable scholars and students to evaluate firsthand Gilman's claims regarding the story's impact on its first audiences Dock presents an authoritative text of *The Yellow Wall paper* for the first time since its initial publication Included are a textual commentary full descriptions of all relevant texts lists of editorial emendations and pre copy text substantive variants a complete historical collation that documents all the variants found in important editions after 1892 and a listing of textual sources for more than one hundred reprintings of the story in anthologies and textbooks Other documents in the casebook that illuminate the story's publication and reception histories include Gilman's successive and varying accounts of the story's history her diary and manuscript log entries and letters pertaining to the story W D Howells's correspondence with Gilman and Horace Scudder editor of *The Atlantic Monthly* and his remarks on the story when he reprinted it in *Great American Short Stories* and more than two dozen reviews of the story by Gilman's contemporaries Taken together the criticism text documents and annotations constitute a rich and valuable contribution to Gilman scholarship calling into question the feminist literary criticism that has helped to shape interpretations of a literary masterpiece *Biography: A Very Short Introduction* Hermione Lee, 2009-07-09 Biographies are one of the most popular and best selling of the literary genres Why do people like them What does a biography do and how does it work This *Very Short Introduction* examines different types of biographies why certain people and historical events arouse so much interest and how they are compared with history and fiction **Access to the humanities** Raffaella Picello, 2019-03-01 **The Norton Introduction to Literature (Portable Eleventh Edition)** Kelly J. [Hanging Out](#) Sheila Liming, 2023-01-24 Hide your phone stop hustling for a second and read this passionate argument for the importance of unstructured pre digital hang People Loneliness is an epidemic it feels harder than ever to connect with others meaningfully What can we do to remedy this Sheila Liming has the answer we need to hang out more With the introduction of AI and constant Zoom meetings our lives have become more fractured digital and chaotic Hanging Out The Radical Power of Killing Time shows us what we have lost to the frenetic pace of digital life and how to get it back Combining personal narrative with pungent analyses of books movies and TV shows Sheila Liming shows us how the new social landscape deadens our connections with others connections that are vital to both self care and to a vibrant community Whether drinking with strangers in a distant city or jamming with musician friends in an abandoned Pittsburgh row house Liming demonstrates that unstructured social time is the key to a freer happier sense of self Hanging Out shows how simple acts of casual connection are the glue that binds us together and how community is the antidote to the disconnection and isolation that dominates contemporary life The book conceives of hanging out as a way to reclaim time as something other than a raw ingredient to be converted into productivity New York Times Rich with illuminating stories Slate We could all use more of that blissfully unstructured social time posits Sheila Liming in the well considered series of arguments found in Hanging Out Reader's Digest Opens with a simple and expansive account of what hanging out is Liming dedicates much of the book to stories from her past She has lived an interesting life and she tells these stories well Washington Post Sharp and vivid writing a layered exploration of social dynamics that contains some textured literary criticism Bookforum More books about hanging out less about productivity please Sheila Liming sees the gap in our thinking about time and the true worth in spending it in an unstructured fashion with members of our community LitHub

The Geographies of African American Short Fiction Kenton Rambsy, 2022-03-25 Perhaps the brevity of short fiction accounts for the relatively scant attention devoted to it by scholars who have historically concentrated on longer prose narratives The Geographies of African American Short Fiction seeks to fill this gap by analyzing the ways African American short story

writers plotted a diverse range of characters across multiple locations small towns a famous metropolis city sidewalks a rural wooded area apartment buildings a pond a general store a prison and more In the process these writers highlighted the extents to which places and spaces shaped or situated racial representations Presenting African American short story writers as cultural cartographers author Kenton Rambsy documents the variety of geographical references within their short stories to show how these authors make cultural spaces integral to their artwork and inscribe their stories with layered and resonant social histories The history of these short stories also documents the circulation of compositions across dozens of literary collections for nearly a century Anthology editors solidified the significance of a core group of short story authors including James Baldwin Toni Cade Bambara Charles Chesnutt Ralph Ellison Zora Neale Hurston and Richard Wright Using quantitative information and an extensive literary dataset The Geographies of African American Short Fiction explores how editorial practices shaped the canon of African American short fiction
