Nothing But The Rain:

Nothing but the Rain Naomi Salman, 2023-03-14 A sleepy little town discovers its memories have become part of the water cycle in Naomi Salman's debut novella *Nothing but the Rain*. The rain in Aloisville is never ending and no one can remember when it started. There's not much they can remember. With every drop that hits their skin a bit of memory is washed away. Stay too long in the wet and you'll lose everything you used to be. By the time Laverne begins keeping a journal the small town she calls home has been irreparably changed. Every drop of water is dangerous from leaky faucets to the near constant rainfall and a careless trip outside can mean a life down the drain. With mysterious forces preventing escape calls for rebellion seem to be on every resident's lips. But Laverne has no interest in fighting. She has no interest in rebellion. She just wants to survive. Nothing but the Dirt Kate Benz, 2022-07-15 In this work of creative nonfiction author Kate Benz provides an intimate look at the present-day residents of Courtland, Kansas, population 285, a town whose economy depends almost entirely on agriculture. Through charming first-person accounts, *Nothing but the Dirt: Stories from an American Farm Town* tells the whole story of life in Courtland, bucking the rural America is dying narrative that so often proliferates national headlines about small-town USA. Throughout the book, Benz paints a picture of a community that is unwilling to give up on each other. Macro-level issues such as rising tariffs, operation costs versus sinking commodity prices, and infusions of federal farm subsidies affect the locals' daily livelihood, but it's their love of their community that continues their collective efforts to keep Main Street open for business and Courtland on the map. These are the stories from one corner of rural America told through the people who live there: the fourth-generation farmers, the young professionals, the transplants, the small business owners, many of whom are women, a community that is nuclear, blended, straight, gay, red, blue, religious, and anything but Young. People who grew up in Courtland are moving back to raise their kids there, but instead of farming, they are opening breweries, boutiques, marketing agencies, or hair salons. They love rural life but want a new way to define it. Courtland is a community that is unwaveringly determined to keep their corner of rural America not only alive but thriving, refusing to let challenges define or deter them. Instead, they continuously find creative ways to overcome, adapt, improve, and move forward.

Vengeance of the Rain God Jack Romig, 2015-10-08 John Adams was just a con man until he was wrongly accused and convicted of bloody murder. When given the chance to escape, he takes it and goes on the run. He hitches a ride with a northbound trucker and leaves the southern coast headed for Ohio. Once there, he finds an opportunity he never could have expected. He easily assumes the identity of a deceased private investigator, Marcus Phoenix. The set-up is perfect for John to dig deeper into his own criminal case and find the real culprit, but he's soon distracted by a beautiful widow who suspects her husband's death was actually murder. What can he do but give the lovely lady a hand? Of course, being a phony detective and con man doesn't make playing with local authorities much fun, as John constantly worries he'll be found out as a

fake. He's even more concerned when he realizes the grieving wife is actually a mafia princess. Apparently no one's telling the truth in Toledo and all the lies could get John killed. *The Girl in the Rain* J. Christopher Wickham, 2023-12-10. The deceiver knows the Hungarian the wise man keeps twenty-six ghosts in his library and the widow carries the words of the dead. This is the final cryptic entry scrawled in the journal belonging to the late John Chapel, a journal that detailed his obsession with finding a woman who didn't exist. Hers was just one of several faces that he insisted he saw there in the rain and one of the many voices that called to him every night, drawing him further into madness. Despite his wife's unwavering faith and tireless determination, she could only watch helplessly as the man she loved slowly faded away like a fingerprint on a window being washed away by the rain. Now months after his death, new information has surfaced that sheds new light on her husband's bizarre case and renews Gwenn Chapel's search for the truth. Her only allies in this crusade are her husband's old mentor and eccentric history professor Dr. Campbell and his former best friend and her old flame Jeremy Connelly. As she uncovers her husband's dark past, however, she begins to question their motivations behind helping her and suspects that one of them is hiding a dark secret of his own. Can she trust either of them to help her discover the truth, or will it only be found in the cryptic pages of that journal John left behind? Only Gwenn Chapel can decide where the truth lies as she embarks on a journey that will challenge her faith, the limits of her sanity, and even her love for her husband. Will she be able to put all of those pieces together that her husband left for her to unlock the mystery behind the girl in the rain, or be pushed over the edge and dragged down into that abyss with him? This is the first in *The Epic Forgotten* series, which is a gigantically proportioned tale about the three kinds of love we seek out in our lifetimes: the depths of loss, suffering, friendship, and faith, told through the eyes of a widow, a history professor, and the cryptic words of a long-dead crusader. So take your seat beside Dr. Campbell's fire, have a glass of Calvados, and enjoy the tale of John Chapel and his twenty-six ghosts. *Singin' in the Rain* Earl J. Hess, Pratibha A. Dabholkar, 2009-05-12. There is no movie musical more fun than *Singin' in the Rain*, and few that remain as fresh over the years. It is a transcendent experience, and no one who loves movies can afford to miss it. Roger Ebert, America's most popular film critic, is hardly alone in singing the praises of *Singin' in the Rain*. This quintessential American film, made in Hollywood's Golden Age, showcasing the genius of Gene Kelly and featuring what Ebert calls the most joyous musical sequence ever filmed, has inspired love and admiration from fellow critics, film scholars, and movie buffs worldwide for more than half a century. Indeed, its reputation continues to grow: the American Film Institute now ranks it number 1 on its list of the Greatest Movie Musicals of All Time and number 5 on its list of the Greatest American Films of All Time. Echoing the enthusiasm of the film's most devoted fans, Earl Hess and Pratibha Dabholkar embrace and illuminate both the film and its reputation. Combining lucid prose with meticulous scholarship, they provide for the first time the complete inside story of how this classic movie was made, marketed, and received. They re-create the actual movie-making experience on the set and behind the scenes and chronicle every step in production, from original concept through casting, scripting, rehearsals, filming,

scoring and editing They then trace its distribution critical reception and enduring reputation The book is brimming with human interest bursting with anecdotes and quotes by and about the film's stars and makers Here are Gene Kelly and Donald O'Connor at the top of their form along with Debbie Reynolds and Cyd Charisse in their breakthrough roles Here too are fascinating tidbits about censorship troubles continuity flaws stunt doubles for Kelly voice doubles for cast members the dubbing of taps and genealogy of all the songs Hess and Dabholkar also provide in depth analyses of each of the major song and dance performances including details of everything from the dynamics of Gotta Dance to the physical challenges of the remarkable title number Based on exhaustive research in oral histories studio production records letters memoirs and interviews their book is factually impeccable compulsively readable and indispensable for anyone who loves movies at their absolute best

Henderson the Rain King Saul Bellow, 2013-04-04 Bellow evokes all the rich colour and exotic customs of a highly imaginary Africa in this comic novel about a middle aged American millionaire who seeking a new more rewarding life descends upon an African tribe Henderson's awesome feats of strength and his unbridled passion for life earns him the admiration of the tribe but it is his gift for making rain that turns him from mere hero into messiah A hilarious often ribald story HENDERSON THE RAIN KING is also a profound look at the forces that drive a man through life

In from the Rain William Efford, 2011-09-12 Devastated after the drowning death of his wife Suzanne fifty year old Howard Munro resigns his tenure as head of the English department at St Martins College in Toledo Ohio Hoping to make a fresh start in his life and with a new job waiting for him in southern California he strikes out for San Diego in his motor home En route he picks up a rain soaked hitchhiker Miriam Kovacs a down on her luck unemployed waitress thumbing her way west Culturally and socially the two travelers are a study in opposites the successful well educated and pro life Munro and Kovacs a marginalized high school dropout with a long history of menial jobs and failed relationships a woman intent on terminating her unwanted pregnancy Yet despite the differences that divide them their journey across America will unite them in an unexpected meeting of hearts and minds The woman provides Munro with the first female companionship since the passing of his wife The professor gives Kovacs an unsophisticated woman who has rarely ventured beyond her Philadelphia home her first glimpse of new horizons and new values In the process both people will be changed forever

The Day Dawn and the Rain John Ker, 1869 *Waiting for the Rain* Charles Mungoshi, 2023-10-01 In this poignant novel award winning author Charles Mungoshi explores the consequences of colonialism in 1960s Zimbabwe *Waiting for the Rain* asks how a nation can look to the future and preserve its traditions while being tied down to the present tyranny of its oppressors Told through multiple perspectives of the Mandengu family *Waiting for the Rain* eloquently captures the generational effects of colonialism and the slow breaking of family bonds Writing during the fiercest years of the Zimbabwe War of Independence Mungoshi treads a fine line between criticising colonial rule and attempting to avoid British censorship The result is an astute commentary on the challenges faced in 1960s Zimbabwe Zimbabwe's finest and most versatile writer Petina Gappah The influence of
