Social Change and Social Justice Category 2024 Nautilus Book Awards Winner 2024 Choice Outstanding Academic Title
Women working in the sciences face obstacles at virtually every step along their career paths From subtle slights to blatant
biases deep systemic problems block women from advancing or push them out of science and technology entirely Women in
Science Now examines solutions to this persistent gender gap offering new perspectives on how to make science more
equitable and inclusive for all This book shares stories and insights of women from a range of backgrounds working in
various disciplines illustrating the journeys that brought them to the sciences the challenges they faced along the way and
the important contributions they have made to their fields Lisa M P Munoz combines these narratives with a wealth of data to
illuminate the size and scope of the challenges women scientists face while highlighting research based solutions to help
overcome these obstacles She presents groundbreaking studies in social psychology and organizational behavior that are
informing novel approaches for combating historic and ongoing inequities Through a combined focus on personal
experiences and social science research this timely book provides both a path toward greater gender equity and an inspiring
vision of science and scientists *Research in Education* ,1974 **Complete Book of Colleges, 2005 Edition** Princeton
